excerpt from the defense of poesy otherwise known as an apology for poetry sidney s estimate of poetry heralded such poetic achievement as the world had only once or twice witnessed what sidney outlined spenser and shakespeare executed though not always in the precise forms which he himself would have approved in this essay he appears as a link between the soundest theory of

ancient times and the romantic production of the modern era as a humanist actuated by ethical convictions as a man of affairs discharging the function of the scholar with the imaginative insight of the poet to assist in placing the student of english literature at the point of view from which he can rightly judge of the merits and relations of sidney s immortal disquisition is the object of the present editor s labors in modernizing the spelling and punctuation of the text i have been guided by the principles which have been well expressed by dr edwin a abbott in the preface to his edition of bacon s essays pp iii iv as regards spelling the principle adopted in the following pages is this whatever quotations or extracts are made for critical or antiquarian purposes are printed with the old spelling but the essays themselves are placed on the same footing as the bible and shakespeare and as being not for an age but for all ages they are spelt with the spelling of this age about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at [forgottenbooks.com](http://forgottenbooks.com) this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

in 16th century europe poetry had lost much of its cultural value it became known as a narrow and frivolous activity much like it is now and it was under attack by religious authorities because it was seen as licentious or subversive so sidney prepared a legal defense of poetry trying to restore this sacred practice to its former glory sidney tried to argue that poetry was not the frivolous activity that many contemporary poets were practicing instead he argued that it was an ancient epistemological tradition he tried to prove that it was a serious intellectual endeavor that embodied the renaissance principle of reason every bit as important as history or philosophy he further argued that poetry was not subversive it supported traditional didactic moral and religious purposes the poetic work of petrarch and sidney represented a proto romantic preoccupation with the heroic sufferings of the poet in love and they expressed their romantic ideas through formulaic verse but did the form of the petrarchan sonnet sequence and the romantic philosophy of petrarch fit sidney s lofty definition of what poetry and the poet should be did sidney live up to his own exalted philosophical vocation of the myth poetic prophet or was sidney s adoption of the petrarchan sequence more of a verbal exercise a formulaic offshoot of the scholastic latin tradition which was heavily entrenched in early modern europe like many poets sidney set himself an impossible task and he became the protagonist of a tragedy rather than a classical hero quest sidney s glory comes not through triumph but only through the artistry of his self inflicted pain and through the pity of a sympathetic audience but in this pain sidney does move his audience with a poetic truth that captures an important message about the human condition thus sidney does seem to embody at least in part his lofty poetic philosophy

philip sidney was a 16th century prominent british figure he was a poet courtier and soldier sindey was the author of *astrophil and stella* 1591 *the defence of poetry or an apology for poetry* 1595 and *the countess of pembroke s arcadia* 1590 in 1581 sidney wrote a *defence of poesie* a k a an apology to poetry his defense is that poetry by combining the liveliness of history with the ethical focus of philosophy is more effective than history or philosophy in rousing its readers to virtue sidney also offers important comments on edmund spenser and the elizabethan stage
