important governance mechanisms in detail part 3 studies individual international corporate governance systems part 4 wraps up with a discussion on governance practices

the motivation for writing this book is the authors deeply held conviction that good governance is an essential element for any organisation that wishes to maximise its effectiveness they are not alone in observing that in many cases companies or other organisations that perform badly are often poorly governed indeed the key explanation for poor performance is often poor governance this observation is not limited geographically and there are many examples from around the world concern with good governance is not just limited to the free enterprise system it is universal

corporate governance has come to prominence in recent years because of the perceived political importance of issues such as executive pay and apparent accounting scandals as might be expected in this frenzied climate politicians have reacted us politicians reacted with particular speed through the passing of the sarbanes oxley act dr elaine sternberg brings some sobriety and clear thinking to the debate in this new and fully revised edition of corporate governance accountability in the marketplace lucidly defining the purposes of corporate governance and analysing different models of corporate regulation the anglo american model allows corporations to fulfil their corporate purposes more effectively than the stakeholder or the german japanese models given that problems of executive pay accounting scandals and so on result in corporations not achieving their proper purposes sternberg finds that a change in the regulatory model cannot be the answer instead she proposes that we should look at the ways in which regulation prevents the anglo american model from working in practice as effectively as it should in theory sternberg shows how a genuine market in corporate governance could be created so that firms had to compete for funds with their mode of governance being one of the attractions to potential shareholders
