what does the changing face of missions look like what challenges will appear in the years to come a number of key missionaries mission agency leaders seminary professors and pastors present insightful presentations of missions past and present seeking to revitalize the future of world evangelism

what if your greatest calling lies not within your comfort zone but among cultures languages and people you've never met millions perish without ever hearing the name of Jesus not because they rejected him but because no one ever told them the time to remain silent is over you were born for more you were called for this in an increasingly globalized world filled with cultural barriers religious pluralism and spiritual darkness the church is at a critical crossroads many believers feel the tug of the great commission but are unsure how to respond how do you effectively share Christ in a culture not your own how do you honor local customs while boldly proclaiming the truth introduction to world missions and cross cultural evangelism addresses these questions and more equipping you with biblical theological and practical insights into global missions and evangelism this book will transform how you see the world and your role in it whether you're a student pastor missionary or everyday believer with a heart for the nations you'll learn the biblical and theological foundation for global missions how to communicate the gospel effectively across cultural barriers proven strategies and models used by missionaries around the world how to navigate language culture worldviews and religious diversity practical steps to prepare for short or long term mission work packed with real world examples historical depth and cross cultural sensitivity this guide is a powerful tool for anyone serious about obeying the great commission it doesn't just inform it ignites you won't walk away the same don't just talk about missions step into your divine mandate introduction to world missions and cross cultural evangelism is your handbook for global impact get your copy now and begin your journey into the heart of God's mission for the world

river of God is an introduction to world missions aimed at undergraduate students however the readers will soon discover that the book is rich in its content far beyond the editors original plan it serves as a reader for people with various levels of missiological interest and competence and deals with cutting edge issues in missions this book introduces a new paradigm kingdom missiology which builds on shalom in the old testament and as Jesus applied to the kingdom of God in the new testament the first half of the book looks at kingdom missiology from the biblical historical and cultural dimensions the second half of the book describes helpful strategies in the implementation of this paradigm the importance of urban ministry is woven throughout the book contributors Ashley Barker Gina Bellofatto Kendi Howells Douglas Robert Douglas Todd Johnson Robert Kurka Janice Lemke Paul McAlister Mark Moore Doug Priest Greg Pruett Mike Sweeney Bill Weber Donovan Weber Linda Whitmer and Tetsunao Yamamori

veteran missionary and missiologist c gordon olson has distilled his knowledge and experience to produce an introductory text to missions that is marked by its balance between theory and practice

world missions needs a fully biblical ethos this is the contention of the editors of and contributors to world mission a series of essays aimed at reforming popular approaches to missions in the first set of essays contributors develop a biblical theology of world missions from both the old and new testaments arguing that the theology of each must stand in the foreground of missions not recede into the background in the second they unfold the great commission in sequence detailing how it determines the biblical strategy of all mission enterprises finally they treat current issues in world missions from the perspective of the sufficiency of scripture altogether this book aims to reform missions to be thoroughlyâ not just foundationallyâ biblical a needed correction even among the sincerest missionaries

the christian movement is entering a new postcolonial era with centers of the faith on all continents american christians have often felt uniquely qualified to lead this growing movement because of a long history of sending missionaries and funding mission projects yet something is hampering the relationship between western and non western churches preventing the dynamic synergism that christians might expect roots and remedies of the dependency syndrome in world missions robert reese identifies this hindrance as the dependency syndrome a relic of colonial mission methods with three decades of experience in zimbabwe reese explains the roots of dependency and how this continues to cloud the vision of many well meaning western christians he documents the tragic results of relying too much on foreign ideas institutions personnel and funding that sideline non western churches from fulfilling the great commission reese addresses remedies for dependency examining healthy mission models tried and tested since the days of the apostle paul from issues that arise from globalization to best mission practices in the twenty first century roots and remedies aims to achieve what most christians are seeking but find elusive how all parts of the diverse body of christ around the world can cooperate productively to bring christ where he is not now known without creating dependency

back by popular demand this three volume work is now reprinted as a single volume this manual leads the student into a deeper broader mission understanding and vision by covering the biblical historical foundations the strategic dimensions and cross cultural considerations

robin hadaway presents a full survey of world missions addressing biblical theological and historical foundations as well as culture context philosophy and missions strategy

comprehensive treatment of the biblical foundation and unique purpose of global missions

the churches from the whole world are joined in the effort to reach the whole world although it has been documented that western missionaries serving outside their countries still comprise the majority of world missions workers the growth rate of majority world missionaries far outpaces that of the west in recent years while western missionary forces are shrinking in numbers and possibly in influence missions from the majority world have proliferated bringing amazing progress and some challenges missions from the majority world represents the thinking of 14 majority world mission scholars and 10 westerners with lengthy experience in the missionary enterprise the book shows the progress and challenges of missions from the majority world and illustrates this by case studies from asia africa and latin america

the world missions topic formerly the home and foreign mission topic challenges the believer to step outside of the normalcy of their everyday lives and do something to help those who are in need this study series is an excellent tool to help develop missions outreach within one's community the lessons include questions for the student's consideration and discussion
