state adopted textbook 2001 2007 grade 3

airasian presents complex concepts clearly so that pre service teachers can understand them and solidly grounds these concepts in best practice through practical real well integrated examples he talks to not at users the text conceives of classroom assessment in a broader way than many other texts it focuses not only on the assessment needs of testing grading interpreting standardized tests and performance assessments but also on assessment concerns in organizing a classroom at the start of school planning and implementing instruction and strategies of teacher self reflection it views classroom assessment as an everyday ongoing integral part of teaching not something that is

separated from life in classrooms the text is organized in a manner that follows the natural progression of teacher decision making from organizing the class as a learning community to planning and conducting instruction to the formal evaluation of learning and finally to grading

in 24 easy lessons students learn the test information in streamlined form then move quickly to hands on practice that builds skills and boosts scores diagrams charts tables
