believer ought to be a supernatural one we have been born into a heavenly or spiritual realm and thus should be able to interact with that realm and access the fullness of its powers and glory in other words the believer should not be disadvantaged in any way as we have the ability to fully function in and from the realm of the spirit where everything that manifest in the physical realm is determined also just like the fictional superman a believer should be able to bypass time and space and be transported into different parts of the world and into different realms by the spirit the scriptures clearly show us this but sadly this is not the reality as some believers are limited and manipulated by satan and his cohorts where they are supposed to reign this is largely because they do not understand the realms of the spirit how to function in it and the limitless possibilities when one lives or functions from that realm this satan and his demons understand thus satan will do anything to stop the believer from attaining full spiritual faculty functionality i want you to know that there are limitless possibilities to a believer who understands the realm of the spirit however full functionality in the spirit requires the believer to develop the habit of being in the spirit in other words the believer has to learn how to enter stay or spend more time in the spirit this is what the holy spirit will have me reveal to you in this book i will share with you the necessity of being in the spirit the different levels and dimensions of being in the spirit and the effects of being in the spirit i will also share with you some amazing experiences i have had in the realms of the spirit just like john in the scripture shared above i have been transported in the spirit countless times to see hear interact and experience life in that realm and i am so excited to be able to share these experiences with you in this book one thing is for sure this revelation will change your life if you will give yourself to reading and deeply meditating on it by the spirit
