a few years ago my wife mary and i found ourselves exploring a vast and remote archaeological area of northern new mexico called chaco canyon we were fortunate enough to stumble upon a tour guided by a national park archaeologist who in his midsixties spent his entire phd career studying ruins in and around chaco he told us we know there were people living

here and when they lived here we know there were buildings here he gestured around at the obvious everything else is just speculation he paused to allow time for this naked and refreshing honesty to sink in then he said archaeology is informed speculation but it is speculation nonetheless

examines what is known about the anasazi civilization from the arrival of the ancient ones in north america 14 000 years ago to the lives of their present day descendants the pueblo

discusses the cliff dwellings of mesa verde colorado and what is known about the history and culture of the anasazi indians who lived in them

with their bestselling first north americans series the gears have astounded an avid international audience of millions now these master storytellers turn to the american southwest to one of the most enigmatic people to ever inhabit this continent the anasazi at its pinnacle in a d 1150 their empire was vast and sophisticated unequalled until the arrival of the europeans and then they simply disappeared dr maureen cole one of the world s foremost physical anthropologists is called in to examine and evaluate a mass grave discovered in new mexico the burial site contains nothing but the shattered skulls of women and children as dr cole works to unravel the mystery of these deaths strange things begin to happen around her the walls of her laboratory crumble her generator quits and she begins to hear whispering voices emanating from the plastic bags of bones the visitant is the first book in the anasazi mysteries series which marked the beginning of an exciting new direction for the gears one sure to appeal to the gears s large and dedicated following as well as fans of tony hillerman s native american mysteries at the publisher s request this title is being sold without digital rights management software drm applied

an exuberant hands on fly on the wall account that combines the thrill of canyoneering and rock climbing with the intellectual sleuthing of archaeology to explore the anasazi david roberts describes the culture of the anasazi the name

means enemy ancestors in navajo who once inhabited the colorado plateau and whose modern descendants are the hopi indians of arizona archaeologists roberts writes have been puzzling over the anasazi for more than a century trying to determine the environmental and cultural stresses that caused their society to collapse 700 years ago he guides us through controversies in the historical record among them the haunting question of whether the anasazi committed acts of cannibalism roberts s book is full of up to date thinking on the culture of the ancient people who lived in the harsh desert country of the southwest

perhaps the most fascinating chapter in southwest history is the tale of the mysterious vanished anasazi indians their tremendous achievements can be found in many places including the spectacular cliff dwellings of mesa verde national park but the crest of the anasazi wave was in chaco canyon a shallow windswept wash in northwest new mexico here 1 000 years ago strange and unexplained events unfolded events which continue to intrigue scientists and visitors today during the years 850 1150 ad multi story buildings comparable in size to the roman coliseum were constructed advanced astronomy water works and agriculture flourished exotic artifacts from central america were traded over routes spanning thousands of miles and after 300 years they carefully sealed everything up left and never returned the anasazi of chaco canyon offers insight into the unknowns of the chaco phenomenon including the story of kyle s journey of discovery in addition it draws on the latest research personal experiences and interpretations of oral traditions leading the reader to a startling conclusion influenced by the writings of edward abbey and james michener kyle widner is a desert wanderer amateur anasazi ruins hunter and internet business expert in his spare time he lives in boulder city nevada with his wife jean two golden retrievers and two cats this book is the companion guide to an educational video game and 3d computer simulation of chaco canyon for mac and pc computers learn more at shadowplay.com

simple text and color photos cover this branch of the southwestern pueblo indians

the name anasazi means ancient ones and they were one of the first groups of people to establish a strong cultural

presence in what is now the southwestern United States. Readers explore what daily life was believed to have been like for the Anasazi people and they also explore the artifacts and other archaeological finds that have led historians to their beliefs about the Anasazi way of life. Colorful photographs, historical images, and detailed maps help readers visualize life among the Anasazi. Important social studies curriculum topics are presented through engaging main text and informative fact boxes.

Book II of the Anasazi Mysteries from New York Times bestselling authors Kathleen O'Neal Gear and Michael W. Gear. The Summoning God is more than a superb murder mystery; it is a psychological thriller with blockbuster action, romance, and suspense, and best of all, a dynamic plot that will have you holding your breath waiting for the next step down the dark labyrinth of their serial murderer's mind. When world-renowned Canadian physical anthropologist Dr. Maureen Cole is called to the United States to analyze burials found in an ancient subterranean ceremonial chamber, she is stunned to discover the burned bodies of thirty-three children and two adults. The children were burned in the flesh, meaning they were alive when the fire started, but was the fire an accident or deliberately set? The scattered, mutilated remains of the adults give Maureen her first clue. In order to solve the mystery, she must work with American archaeologist William Dusty Stewart. They've worked on two archaeological projects in the past and get along like a mongoose and a cobra. Now they must work together to discover the dark and terrible secret of an ancient people. The gears seamlessly weave together modern archaeology and ancient history. Like all of their books, *The Summoning God* is based on real archaeological sites that tell a terrifying story of North America eight hundred years ago. Breathtaking descriptions evoke the harsh beauty of the desert, while the lucid, erudite historical perspectives are informed by the authors' own extensive archaeological experience. At the publisher's request, this title is being sold without digital rights management software (DRM) applied.

An anthropologist offers an account of the Anasazi culture, including descriptions of hunting, family life, religion, and agriculture.

The authors give frequent evaluations of the books they cover, an invaluable guide to acquisition librarians. A read-through of

this volume is rewarding bookends the broad range of types of travel guides included is commendable remains a viable choice as a source for selecting travel materials arba

an overview of what is known about the material culture religion and customs of the ancient indians of the southwest known as the anasazi

an outline of a 1000 year chronicle of environmental and cultural history which attempts to explain broad patterns of interaction between humans and their environment it uses north american geological and botanical remains and looks at the behaviour of the anasazi prehistoric pueblo indians

a story in which a viking warrior wanders into a settlement of anasazi indians in southwestern colorado over 800 years ago

when owl man leader of planet anasazi is called by the great spirit to save mother earth from an asteroid he must enlist other lost civilization leaders to help him the plan involves relocating earth s inhabitants to another planet earthlike and restoring earth to her original state leaving only native inhabitants the removal of miles and miles of concrete and the release of dammed rivers will correct the earth s dangerous instability allowing her to shift out of harm s way but owl man faces many obstacles strong opposition from the leaders of the aztecs mayans and toltecs distrust by his own brother and rebellion by the nephew who will one day take his desired position of ultimate leader as the asteroid streaks toward earth and with the destruction of the universe looming owl man struggles to overcome his greatest obstacle of all his own ambition and pride
