explains literary forms used in scripture myth gospel parable allegory letter and others and shows how this knowledge is important in interpreting the bible

after reading some scripture verses recently i thought how amazing they were i often say in my head wow then i thought why not see how many others i can come up with this book is not comprehensive for it would have been about 10 volumes so i have cut down drastically as with all my books i would like to think people will read question research themselves and write their own notes although any words spoken by the godhead are amazing i have restricted the verses in this small book to what i personally consider to have the wow factor even though as i write this it feels as if i am demeaning any verses i have omitted hopefully as with anything i write i would like to think that if the reader has their own favourites they will look at them again and see why they have a special meaning and if inclined to do so write their own notes or even a book over 2 000 times in the old testament there are phrases such as and god spoke to moises or the word of the lord came to jonah or god said that s just the references to god i have drastically cut down the verses where god and jesus spoke
