the selection meets the 5th wave in this heart racing debut duology about a girl competing for a spot on a mysterious

mission to the outer reaches of space the rules are simple you must be gifted you must be younger than twenty five you must be willing to accept the dangers that you will face if you win eighteen year old cassandra gupta s entire life has been leading up to this the opportunity to travel to space but to secure a spot on this classified mission she must first compete against the best and brightest people on the planet people who are as determined as she is to win a place on a journey to the farthest reaches of the universe cassie is ready for the toll that the competition will take the rigorous mental and physical tests designed to push her to the brink of her endurance but nothing could have prepared her for the bonds she would form with the very people she hopes to beat or that with each passing day it would be more and more difficult to ignore the feeling that the true objective of the mission is being kept from her as the days until the launch tick down and the stakes rise higher than ever before only one thing is clear to cassie she ll never back down even if it costs her everything

this razor sharp novel from printz honor winner and morris award finalist jessie ann foley will appeal to fans of wilder girls and the grace year mia is officially a troubled teen she gets bad grades drinks too much and has probably gone too far with too many guys but she doesn t realize how out of control she seems until she is taken from her home in the middle of the night and sent away to red oak academy a therapeutic girls boarding school in the middle of nowhere while there mia is forced to confront her painful past at the same time she questions why she s at red oak if she were a boy would her behavior be considered wild enough to get sent away but what happens when circumstances outside of her control compel mia to make herself vulnerable enough to be truly seen challenging and thought provoking this stunning contemporary ya novel examines the ways society is stacked against teen girls and what one young woman will do to even the odds a chicago public library best teen fiction selection a banks street best children s book of the year

with empathy grace humor and piercing insight the author of gods in alabama pens a powerful emotionally resonant novel of the south that confronts the truth about privilege family and the distinctions between perception and reality the stories

we tell ourselves about our origins and who we really are superheroes have always been leia birch briggs weakness one tequila soaked night at a comics convention the usually level headed graphic novelist is swept off her barstool by a handsome and anonymous batman it turns out the caped crusader has left her with more than just a nice fuzzy memory she s having a baby boy an unexpected but not unhappy development in the thirty eight year old s life but before leia can break the news of her impending single motherhood including the fact that her baby is biracial to her conventional southern family her step sister rachel s marriage implodes worse she learns her beloved ninety year old grandmother birchie is losing her mind and she s been hiding her dementia with the help of wattie her best friend since girlhood leia returns to alabama to put her grandmother s affairs in order clean out the big victorian that has been in the birch family for generations and tell her family that she s pregnant yet just when leia thinks she s got it all under control she learns that illness is not the only thing birchie s been hiding tucked in the attic is a dangerous secret with roots that reach all the way back to the civil war its exposure threatens the family s freedom and future and it will change everything about how leia sees herself and her sister her son and his missing father and the world she thinks she knows

after his wife lost four pregnancies jon cohen set out to gather the most comprehensive and accurate information on miscarriage a topic shrouded in myth hype and uncertainty the result of his mission is a uniquely revealing and inspirational book for every woman who has lost at least one pregnancy and for her partner family and close friends approaching the topic from a reporter s perspective cohen takes us on a surprising journey into the laboratories and clinics of researchers at the front weaving together their cutting edge findings with intimate portraits of a dozen families who have had difficulty bringing a baby to term couples who seek medical help for miscarriage often encounter conflicting information about the causes of pregnancy loss and ways to prevent it cohen s investigation synthesizes the latest scientific findings and unearths some surprising facts we learn for example that nearly seven out of ten women who have had three or more miscarriages can still carry a child to term without medical intervention cohen also scrutinizes the full array of treatments showing readers how to distinguish promising new options from the useless or even dangerous ones coming to term is the first book

to turn a journalistic spotlight on a subject that has remained largely in the shadows with an unrelenting eye and the compassion that comes from personal experience jon cohen offers a message that is both enlightening and surprisingly hopeful
