this book is a judicial military and political history of the period 1941 to 1954 as such it is also a united states legal history of both world war ii and the early cold war civil liberties mass conscription expanded military jurisdiction property rights labor relations and war crimes arising from the conflict were all issues to come before the federal judiciary during this period and well beyond since the supreme court and the lower courts heard appeals from the government s wartime decisions well into the 1970s a detailed study of the judiciary during world war ii evidences that while the majority of the justices and judges determined appeals partly on the basis of enabling a large disciplined and reliable military to either deter or fight a third world war there was a recognition of the existence of a tension between civil rights and liberties on the one side and military necessity on the other while the majority of the judiciary tilted toward national security and deference to the military establishment the judiciary s recognition of this tension created a foundation for persons to challenge governmental narrowing of civil and individual rights after 1954 kastenberg and merriam present a clearer picture as to why the court and the lower courts determined the issues before them in terms of external influences from both national and world wide events this book is also a study of civil military relations in wartime so whilst legal scholars will find this study captivating so will military and political historians as well as political scientists and national security policy makers

traversing visible and invisible realms a time of lost gods attends to profound rereadings of politics religion and madness in the cosmic accounts of spirit mediumship drawing on research across a temple a psychiatric unit and the home altars of spirit mediums in a rural county of china s central plain it asks what ghostly forms emerge after the death of mao and the so called end of history the story of religion in china since the market reforms of the late 1970s is often told through its destruction under mao and relative flourishing thereafter here those who engage in mediumship offer a different history of the present they approach mao s reign not simply as an earthly secular rule but an exceptional interval of divine sovereignty after which the cosmos collapsed into chaos caught between a fading era and an ever receding horizon those left behind by labor

outmigration refigure the evacuated hometown as an ethical spiritual center to come amidst a proliferation of madness inducing spirits following pronouncements of china s rise and in the wake of what chinese intellectuals termed semicolonialism the stories here tell of spirit mediums patients and psychiatrists caught in a shared dilemma in a time when gods have lost their way

service learning pedagogy enhances critical engagement and democratic inquiry in higher education addressing power dynamics in education it emphasizes community partner participation and active reflection allowing students to engage stakeholders and youth crucial for addressing societal inequalities

author angela bomfords childhood in wallasey england was filled with air raids bombs and gas masks in a time to dance bomford recalls her adventures as a young christian as she struggles to break into show business in 1950s england tragedy and comedy follow her across europe where she has a peek behind the iron curtain and adventures in paris and vienna she narrates how failed romance triggers serious self doubtuntil her walk with the lord leads her to a deep lifelong romance with the man she had a crush on as a young teenager a whirlwind courtship takes her across the atlantic ocean to peru panama and the united states from working as an assistant stage manager in england to acting on movie sets in florida this true story brings both a lump to the throat and laughter to the lips with photos included a time to dance bomford shares her life story giving insight into growing up against the backdrop of world war ii working in show business and placing her life in the hands of the lord

longitudinal studies often incur several problems that challenge standard statistical methods for data analysis these problems include non ignorable missing data in longitudinal measurements of one or more response variables informative observation times of longitudinal data and survival analysis with intermittently measured time dependent covariates that are subject to measurement error and or substantial biological variation joint modeling of longitudinal and time to event data has emerged as a novel approach to handle these issues joint modeling of longitudinal and time to event data provides a systematic

introduction and review of state of the art statistical methodology in this active research field the methods are illustrated by real data examples from a wide range of clinical research topics a collection of data sets and software for practical implementation of the joint modeling methodologies are available through the book website this book serves as a reference book for scientific investigators who need to analyze longitudinal and or survival data as well as researchers developing methodology in this field it may also be used as a textbook for a graduate level course in biostatistics or statistics

vol 1 is a reprint of 1834 edition
