brettell's new book provides new insight into the processes of migration and transnationalism from an anthropological perspective. It has been estimated at the turn of the millennium that 160 million people are living outside of their country of birth or citizenship. The author analyzes macro and micro approaches to migration theory utilizing her extensive fieldwork in Portugal as well as research in Germany, Brazil, France, the United States, and Canada. Key issues she discusses include the value of immigrant incorporation vs. assimilation models, the impacts on individual household and community as well as institutions and states, the role of ethnicity and ethnic groups, the effects of clandestine or illegal immigration, the differing commitments to host vs. sending communities, the shift from city enclaves to suburban areas, the constraints and opportunities that lead to ethnic entrepreneurship, the role of religion in transnational linkages, and the differing experiences of men and women as migrants. Brettell also explores the relevance of life histories and oral narratives in understanding the immigration process and the mediation of boundaries in a new society. This book provides a fresh perspective on the contemporary experience of migration and will be indispensable to instructors and researchers in anthropology, race and ethnic studies, immigration studies, urban studies, sociology, and international relations.

Stephen Castles provides a deeper understanding of recent migration crises in this fascinating and highly topical work. The book links theory and methodology to real world migration experiences with a truly global perspective and in depth analysis of the links between economics, migration and asylum and refugee issues.

Michael Bommes (1954-2010) was one of the most brilliant and original scholars of migration studies in the twentieth and twenty-first centuries. This posthumously published collection brings together a selection of his most important essays on immigration, transnationalism, irregular migration, and migrant networks. In Bommes, the academy lost a scholar with penetrating analyses of migration, the welfare state, and social systems where the two interact. By completing his last project, Boswell and D'Amato have done scholarship a lasting service, a major contribution to public debate and a tribute to a very great man. (Randall Hansen, University of Toronto)

Michael Bommes was one of the most brilliant and original migration studies scholars of our time. This posthumous collection brings together a selection of his most important work on immigration, integration, transnationalism, irregular migration, and migrant networks. Each essay provides a rigorous and compelling critique of mainstream accounts, building on Bommes' distinctive systems theoretic approach. It will be required reading for all theoretically minded scholars and advanced students of migration studies.
