cartesian empiricisms considers the role cartesians played in the acceptance of experiment in natural philosophy during the seventeenth century it aims to correct a partial image of cartesian philosophers as paradigmatic system builders who failed to meet challenges posed by the new science s innovative methods studies in this volume argue that far from being strangers to experiment many cartesians used and integrated it into their natural philosophies chapter 1 reviews the historiographies of early modern science and cartesianism and their recent critiques the first part of the volume explores various cartesian contexts of experiment the impact of french condemnations of cartesian philosophy in the second half of the seventeenth century the relation between cartesian natural philosophy and the parisian academies of the 1660s the complex interplay between cartesianism and newtonianism in the dutch republic the cartesian influence on medical teaching at the university of duisburg and the challenges chemistry posed to the cartesian theory of matter the second part of the volume examines the work of particular cartesians such as henricus regius robert desgabets jacques rohault burchard de volder antoine le grand and balthasar bekker together these studies counter scientific revolution narratives that take rationalism and empiricism to be two mutually exclusive epistemological and methodological paradigms the volume is thus a helpful instrument for anyone interested both in the histories of early modern philosophy and science as well as for scholars interested in new evaluations of the historiographical tools that framed our traditional narratives

bringing together the latest thinking on both celebrity brands and celebrity culture from academics specialising in the field of marketing this book explores a range of insightful contexts in order to add vigour and vitality to our understanding of the connections

between celebrities markets and culture it unpacks the identity theoretics which have their origins in the turn to celebrity culture and the spectacle and glamour of mass media practices in doing so the contributors hint at new forms of individuation where the line between the virtual and the actual is blurred and where images of celebrities construct and deconstruct themselves this book was originally published as a special issue of the journal of marketing management
