the story of my life has become intertwined with the story of this country and somewhere along the way as i met a million children across this land i too learnt from a million minds this book was not written to only tell my story i want every young reader to think that this book is his or her story too a p j abdul kalam has been one of the most iconic figures of independent india a scientist leader thinker teacher and writer he achieved remarkable success in various fields yet what endeared him to so many was his dedication to the idea of a developed india his simple and direct way of interacting with people and his deep love for his fellowmen in my life kalam writes his life story starting from his days growing up at rameswaram about working on india s space and missile programmes his years as the eleventh president of india and about his life thereafter full of anecdotes that demonstrate the importance of hard work commitment courage and innovative thinking this autobiography is a wonderful introduction

to a remarkable life beautifully illustrated and simply written my life will inspire readers of all ages

on the life and work of the author executive director of space industry development at the indian space research organisation with special reference to the working of the organisation

a p j abdul kalam became president of india in july 2002 he came to the highest office in the land with doubts being cast on the wisdom of appointing a non politician even if it was someone as distinguished as him he is a recipient of the bharat ratna for his work on india s space and defence programmes to the post what followed however was a remarkable presidency that in the next five years transformed the way people looked at this office and made kalam popular in a way few politicians have been rashtrapati bhavan became a much more accessible place in his time and his enthusiasm for his favourite cause a developed and strong india infected all those who came in touch with him while the reasons for his popularity will be analysed for a long time p m nair who was his secretary shows through a series of vignettes in the kalam effect some of the probable causes one of them being that kalam is just a very special human being p m nair had a long and varied career in the ias which he joined in 1967 in july 2002 he was appointed secretary to the president and continued in that position all through the five years of a p j abdul kalam s tenure at rashtrapati bhavan

though a memoir the book stands out more or less as a history of the tamil nadu administration and of tamil society during the author s tenure as a police officer culminating his career as director general of police tamil nadu full of anecdotes the book makes for a good read
