traces events leading up to and resulting from the december 7 1941 japanese attack on american battleships at pearl harbor which brought the united states into world war ii

details the japanese thought process leading up to during and after the attack that changed the world

a terrifying attack on december 7 1941 japanese war planes appeared out of nowhere to bomb the american base at pearl harbor in hawaii it was a highly secretive and devastating attack four battleships sunk more than two thousand servicemen died and the united states was propelled into world war ii in a compelling easy to read narrative children will learn all about a pivotal moment in american history

hawaii 7th december 1941 shortly before 8 in the morning japanese torpedo bombers launch a surprise attack on the us pacific fleet anchored in pearl harbor the devastating attack claims the lives of over 2 400 american soldiers sinks or damages 18 ships and destroys nearly 350 aircraft the us congress declares war on japan the following day in this vivid and lively book takuma melber breathes new life into the dramatic events that unfolded before during and after pearl harbor by putting the perspective of the japanese attackers at the centre of his account this is the dimension commonly missing in most other histories of pearl harbor and it gives melber the opportunity to provide a fuller more definitive and authoritative account of the battle its background and its consequences melber sheds new light on the long negotiations that went on between the japanese and americans in 1941 and the confusion and argument among the japanese political and military elite he shows how us intelligence and military leaders in washington failed to interpret correctly the information they had and to draw the necessary conclusions about the japanese war intentions in advance of the attack his account of the battle itself is informed by the latest research and benefits from including the planning and post raid assessment by the japanese commanders his account also covers the second raid in march 1942 by two long range seaplanes which was intended to destroy the shipyards so that ships damaged in the initial attack could not be repaired this balanced and thoroughly researched book deepens our understanding of the battle that precipitated america s entry into the war and it will appeal to anyone interested in world war ii and

military history

three booklets combined into one book on the subject of pearl harbor admiral theobald s story is based on incontrovertible facts of the washington contribution to the attack perhaps one of the blackest episodes in american history also included john t flynn s and husband e kimmel s writings on pearl harbor p 4 of cover

he also discusses a japanese plan to bomb the panama canal that was abandoned when the war ended horn s chronicling of these mostly unknown plans and operations adds an important dimension to the historical record jacket

provides a detailed account of the pearl harbor attack and the war in the pacific covers the dramatic events of december 7 1941 chronicles america s victory over japan and explores the legacy of pearl harbor includes a narrative overview biographies primary source documents and other helpful features

in 2010 detail scale published the original attack on pearl harbor japan awakens a sleeping giant at the request of the uss arizona memorial foundation now a part of pacific historic parks the goal was to produce a reasonably priced book that covered the japanese attack on pearl harbor in as much detail as possible while limiting the book in size so it could be sold in the pearl harbor museum bookstore that book proved to be very popular and is now out of print in researching that book a significant amount of materials were collected that could not be included because of the limitations of the printing process now to commemorate the 75th anniversary of the attack detail scale brings you this greatly expanded volume with significant new sections and more information on the attack including in depth coverage of the american response all of the original chapters have been expanded and entire new chapters have been added this digital publication is over four times the size of the original printed version and stands as the most profusely detailed and illustrated account of the attack ever published yet it is priced significantly lower than the original book from 2010 the book begins with a why pearl harbor chapter that summarizes the political events of the previous decade which convinced many japanese leaders that they had to go to war with the united states and examines why the japanese chose pearl harbor as the location to launch their dramatic initial blow against the united states navy in the pacific the japanese attack plan is then covered in the next chapter which is followed with a chapter that looks at the high level commanders on both sides of the attack four chapters look at the six japanese aircraft carriers that made up the first air fleet which launched the attack the various other ships that supported the strike force and what their roles were a detailed look at the japanese aircraft that participated in all phases of the attack and the weapons they carried information is next provided on all of the major and minor ships of the u s pacific fleet both those at pearl harbor on the day of the attack and those that weren t the opening of the attack in the pre dawn hours is covered next with a description of the initial japanese attempt to infiltrate the harbor with five midget submarines and the american response which resulted in this part of the attack being a complete failure the air attack is then covered in a chapter that is basically a book within a book with the japanese aerial torpedo attacks covered first followed by the bombing and strafing attacks each geographic area of the harbor and the targeted airfields are covered separately with a detailed text and numerous photographs but unlike other publications this chapter is not limited to explaining only what the japanese did also included is how the americans fought back against the attack with everything they had and detailed accounts of the response of almost every ship present in pearl harbor that day are provided the american aircraft that rose in response to the attack are covered and the exploits of some of the pilots involved are given chapters follow that summarize u s losses damage and recovery with photographs and information on every ship included on the navy s official damage report japanese losses and mistakes and a summary of the resulting wrath of the awakened giant showing how almost every japanese ship that participated in the attack had been destroyed or damaged beyond repair less than four years later attack on pearl harbor japan awakens a sleeping giant is the most detailed and profusely illustrated book on the japanese attack ever published with over 440 photographs 12 maps and 58 illustrations created specifically for this publication it stands as the singularly distinctive book on the day of infamy

this volume provides comprehensive information on the bombing of pearl harbor in 1941 and the differing perspectives accompanying it

this powerful collection of first hand accounts of the events of december 7 1941 in pearl harbor hawaii are told from the survivors of the attack in their own words from all branches of the service

recounts the events leading up to japan s attack on pearl harbor on december 7 1941 that resulted in 3 500 casualties the details of the attack and the ensuing japanese and american reactions

this book relays factual details of the attack on pearl harbor in 1941 through multiple accounts of the event readers learn details through the point of view of a u s soldier at pearl harbor a japanese military commander and a hawaiian worker near the military base this book offers opportunities to compare and contrast various narrative perspectives in the text while gathering and analyzing information about an historical event

on december 7 1941 the japanese military launched a surprise attack on the american naval base at pearl harbor a reluctant nation was pushed into world war ii by the surprise attack which killed thousands of american sailors and soldiers nearly destroyed the united states navy in this book authors nathan anthony and robert gardner offer a clear description of the attack on pearl harbor from early japanese spying operations to a detailed account of the key events of that fateful day this book is developed from the bombing of pearl harbor in american history to allow republication of the original text into ebook paperback and trade editions

the japanese attack on the us pacific fleet at pearl harbor on december 7 1941 was one of the worst defeats in us military history it began a string of japanese successes that seemed to threaten the security of the united states many us citizens and government leaders were on the verge of panic but the attack was probably japan s biggest mistake at the time most americans did not want to go to war the anger and outrage that followed the attack swept away those objections unified the country and made the us determined to win the war

a valuable reexamination booklist starred review of the event that changed twentieth century america pearl harbor based on years of research and new information uncovered by a new york times bestselling author the america we live in today was born not on july 4 1776 but on december 7 1941 when an armada of 354 japanese warplanes supported by aircraft carriers destroyers and midget submarines suddenly and savagely attacked the united states killing 2 403 men and forced america s entry into world war ii pearl harbor from infamy to greatness follows the sailors soldiers pilots diplomats admirals generals emperor and president as they engineer fight and react to this stunningly dramatic moment in world history beginning in 1914 bestselling author craig nelson maps the road to war when franklin d roosevelt then the assistant secretary of the navy attended the laying of the keel of the uss arizona at the brooklyn navy yard writing with vivid intimacy nelson traces japan s leaders as they lurch into ultranationalist fascism which culminates in their scheme to terrify america with one of the boldest attacks ever waged within seconds the country would never be the same backed by a research team s five years of work as well as nelson s thorough re examination of the original evidence assembled by federal investigators this page turning and definitive work weaves archival research interviews and personal experiences from both sides into a blow by blow narrative of destruction liberally sprinkled with individual heroism bizarre escapes and equally bizarre tragedies kirkus reviews nelson delivers all the terror chaos violence tragedy and heroism of the attack in stunning detail and offers surprising conclusions about the tragedy s unforeseen and resonant consequences that linger even today

the events surrounding the attack on pearl harbor did not look the same to everyone involved understanding depends on perspective in the viewpoints and perspectives series more advanced readers will come to understand different viewpoints by learning the context significance and details of the attack through the eyes of three different people while engaging with text through questions sparking critical thinking books include timeline glossary and index

illustrated with over 80 photos of the ships commanders aircraft and locations involved in the attack on pearl harbor this handbook on pearl harbor allows individuals and organizations to study this battle not only in the context of the japanese attack but more importantly in the context of issues that are relevant to the current global war on terror in addition to analyzing the actual attack it also enables users of this

work to examine the problems associated with conducting joint planning and operations between the us army the army air forces and the us navy he also provides insights into the problems of a homeland security environment in which intelligence operatives from a foreign nation and potentially even recent immigrants from that foreign nation who are now us citizens can operate with little hindrance in a free and open democratic society additionally this study provides an opportunity to look at how military commanders and planners prepared for their wartime mission with inadequate resources and equipment

early on the morning of december 7 1941 japanese aircraft and ships attacked the us military base at pearl harbor in oahu hawaii following the attack the united states would officially enter world war ii and people around the country would join together to support the war effort but for those at pearl harbor the war began when the attack did pilots navy officers nurses and civilians quickly took action these brave heroes worked to defend pearl harbor they cared for casualties and worked to repair the damage read more about the courageous people who experienced this tragic event
