the art of mastering the storm is not just a book it s a sober scream in the heart of the hurricane a work that doesn t ask for permission to enter it kicks down the door of your comfort zone and exposes the truth you ve been desperately trying to avoid the world will not stop beating you down and it s up to you to decide whether you ll be fleeting dust or unshakable stone inspired by the brutal and lucid core of stoic philosophy this book is a manual for inner warfare it offers no sweet promises or easy roads it offers steel discipline

self mastery each page is an invitation to emotional maturity a dirty mirror that demands you see yourself without masks without excuses without mercy fernando with a mind like a blade and a soul tempered by fire doesn't write to flatter fragile egos he writes for those ready to seize control of their own fate even if their knees are shaking and their hearts are in ruins in this book stoicism is not some cold theory of dead philosophers it is a living blade that slices through 21st century illusions and forces you to stare into the abyss and smile back this book is for those who are done being victims for those ready to become their own masters

cross gender performance was an integral part of shakespearean theatre from boys portraying his female characters to those characters disguising themselves as men within the story this book examines contemporary trends in staging cross gender performances of shakespeare in the uk and usa terri power surveys the field of gender in performance through an intersectional feminist and queer theoretical lens in depth discussions of key productions reveal processes adapted by companies for their performances the book also looks at how contemporary performance responds to new cultural politics of gender and creates a critical language for understanding that within shakespeare this book features first hand interviews with professional artists case studies of individual performances a practical workshop section with innovative exercises

this volume collects essays from an international body of leading scholars in old testament studies focused upon the key concepts of the question of historicity of biblical stories the archaeology of israel palestine during the bronze and iron ages and the nature of biblical narratives and related literature as a celebration of the extensive body of thomas l thompson's work these essays enable a threefold perspective on biblical narratives beginning with method the contributors discuss archaeology cultural memory epistemology and sociology of knowledge before moving to history historiography and archaeology and close analysis of the qumran writings josephus and biblical rewritings finally the argument turns to the narratives themselves exploring topics including the possibility of invented myth the genre of judges and the depiction of moses in the qumran presenting an interdisciplinary analysis of the historical issues concerning ancient israel palestine this volume creates an updated body of reference to fifty years worth of scholarship

in the jerusalem temple in diaspora jonathan trotter shows how different diaspora jews perspectives on the distant city of jerusalem and the temple took shape while living in the diaspora an experience which often is characterized by complicated senses of alienation from and belonging to an ancestral homeland and one's current home this book investigates not only the perspectives of the individual diaspora jews whose writings mention the jerusalem temple letter of aristaeus philo of alexandria 2 maccabees and 3 maccabees but also the customs of diaspora jewish communities linking them to the temple such as their financial contributions and pilgrimages there

ancient rome has always been considered a compendium of city and world in the renaissance an era of epistemic fractures when the clash between the new science copernicus galileo vesalius bacon etcetera and the authority of ancient texts produced the very notion of modernity the extended and expanding geography of ancient rome becomes for shakespeare and the elizabethans a privileged arena in which to question the nature of bodies and the place they hold in a changing order of the universe drawing on the rich scenario provided by shakespeare's rome and adopting an interdisciplinary perspective the authors of this volume address the way in which the different bodies of the earthly and heavenly spheres are re mapped in shakespeare's time and in early modern european culture more precisely they investigate the way bodies are fashioned to suit or deconstruct a culturally articulated system of analogies between earth and heaven microcosm and macrocosm as a whole this collection brings to the fore a wide range of issues connected to the renaissance re mapping of the world and the human it should interest not only shakespeare scholars but all those working on the interaction between sciences and humanities

the central aim of the gospel of mark is to introduce the reader to jesus christ the son of god in this book macdonald examines not just what the gospel writer says but also how he says it when the gospel of mark is examined as a complete work and the motifs of allegiance opposition and misunderstand are traced through the narrative mark is seen to be a rather sophisticated literary work the gospel writer is not simply a compiler of tradition but one who shaped his narrative for specific rhetorical aims namely that his audience both ancient and modern would recognize jesus as the son of god and respond to him with allegiance
