australian climate policy and diplomacy provides a well overdue critique of existing and high profile

publications that convey the greenhouse mafia hypothesis which posits that australia's weak policy response to climate change is the result of a menacing domestic fossil fuel lobby ben l parr argues that the shared government industry discourse about protecting australia's industrial competitiveness has had a more decisive influence in shaping and legitimising australian climate policy than the direct lobbying tactics of the fossil fuel industry parr also reveals how the divergent foreign policy discourses and traditions of australia's two major political parties as internationalist versus alliance focused have enabled and constrained their climate diplomacy and domestic policies over time to demonstrate his argument he presents a discourse analysis woven into a chronological policy narrative comprising more than 1000 primary texts media releases interviews and speeches generated by prime ministers and key fossil fuel lobbyists overall this volume illustrates how domestic forces have and are influencing australia's climate policy in doing so it also provides a framework that can be adapted to examine climate mitigation policies in other countries notably canada and the us this book will be of interest to students and scholars of climate change environmental policy and governance and australian climate change policy and politics more specifically as well as policymakers and practitioners working in these fields

pen espn award for literary sports writing 2015 longlist perversely entertaining in a truly intoxicating read that was hard to put down matt higgins has managed to make real a world about as far removed from daily life as it gets daily beast matt higgins cracks open this astonishingly dangerous sport and captures the spectacular adrenaline surges it delivers the wall street journal riveting a must read a highflying electrifying story kirkus starred a heart stopping narrative of risk and courage bird dream tells the story of the remarkable men and women who pioneered the latest advances in aerial exploration from skydiving to base jumping to wingsuit flying and made history with their daring by the end of the twentieth century base jumping was the most dangerous of all the extreme sports with thrill seeking jumpers parachuting from bridges mountains radio towers and even skyscrapers despite numerous fatalities and legal skirmishes base jumpers like jeb corliss of california thought they had discovered the ultimate rush but all this changed for corliss in 1999 when high in the mountains of northern italy he and other jumpers watched in wonder as a stranger wearing a cunning new jumpsuit featuring wings between the arms and legs leaped from a ledge and then actually flew from the vertiginous cliffs drawing on intimate access to corliss and other top pilots from around the globe bird dream tracks the evolution of the wingsuit movement through the larger than life

characters who in an age of viral video forced the sport onto the world stage their exploits which entranced millions of fans along the way defied imagination they were flying not like the wright brothers but the way we do in our dreams some dared to dream of going further yet to a day when a wingsuit pilot might fly and land all without a parachute a growing number of wingsuit pilots began plotting ways in which a human being might leap from the sky and land a half dozen groups around the world were dedicated to this quest for a wingsuit landing conjuring the pursuit of nations that once inspired the race to first summit everest given his fame as a stuntman the brash publicity hungry corliss remained the popular favorite to claim the first landing yet bird dream also tracks the path of another man gary connery a forty two year old englishman who was quietly plotting to beat corliss at his own game accompanied by an international cast of wingsuit devotees including a finnish magician a parachute tester from brazil an australian computer programmer a gruff hang gliding champion turned aeronautical engineer a french skydiving champion and a south african costume designer corliss and connery raced to leap into the unknown a contest that would lead to triumph for one and nearly cost the other his life based on five years of firsthand reporting and original interviews bird dream is the work of journalist matt higgins who traveled the world alongside these extraordinary men and women as they jumped and flew in europe africa asia and the americas offering a behind the scenes take on some of the most spectacular and disastrous events of the wingsuit movement higgins s bird dream is a riveting adrenaline fueled adventure at the very edge of human experience
