how many times in your life have you found yourself wondering where you are going in life what are you supposed to do when you get there how are you going to get there dear god are we there yet that was my question i realized the answer to our personal questions can most often be found by looking within when we find that we have complete access to this part of us you then awaken and start driving your spiritual vehicle we question if we are self guided gods or being guided by a god in this book this movement i use a car and road trip as metaphor when we are able to see and feel our purpose our truth we can start maneuvering that god particle that will guide us like a built in inner gps just as you were guided here

co published with despite seeming endless debate and public attention given to the issue for several decades those committed to creating welcoming and engaging campus environments for all students recognize that there is considerably more work to be done and ask why aren t we there yet and when will we be done while our campuses have evolved from being exclusionary and intolerant and publicly espouse the objectives of being welcoming accepting affirming and engaging the data on admissions retention and graduation clearly indicate that these goals have not been achieved the contributors to this book seek to offer new insights to improve student affairs emphasizing action that recognizes this is a complex and multi faceted process and beginning with the assertion that without recognizing the influences of privilege and inequality we educators cannot promote truly welcoming environments this book focuses on guiding individuals and groups through learning how to have difficult conversations that lead us to act to create more just campuses and provides illustrations of multiple ways to respond to difficult situations it advocates for engaging in fruitful dialogues regarding differing social identities including race ethnicity religion gender and sexual orientation to lead readers through a process that advocates for justice and for taking personal responsibility for contributing to the solution the book is framed around the five elements of the process of engaging in difficult conversations that not only advocate for change but also create change self knowledge knowledge of and experiences with others understanding historical and institutional contexts understanding how to change the status quo and transformative action

the subject of the return of jesus has fueled speculation ever since he left when is he coming will we know when he is about to return are the things happening in our world today signs of the times what does the book of revelation say about the return of jesus and what about the nation of israel what role do they play in end times scenarios mike reed attempts to address these and other questions about christ s return in this book for the average person and even for those who have studied the topic for awhile the subject of christ s return can be overwhelming in this book the author will attempt to guide the reader into an understanding of the return of christ first based upon what jesus said about it and then looking at what the apostles and prophets have said the basis for the confusion on the subject is because most authors have not followed that sequence this is a book written for laymen it attempts to utilize good scholarship but it is written for the nonacademic follower of jesus who wants to understand what our lord said about this most important topic the book is also written with the desire to be a good example of how to utilize sound and time honored methods of interpretation which can be applied to any topic of scripture
