most of us begins to read the bible trying to understand our creator god and find out the way to escape from this troublesome world while struggling to cope with this fast running modern society and survive but reading through the bible alone would take a year and yet finding out what it says is still another story so many of us close the bible before flipping over several pages and come back to wandering again for the same reason of enormous amount of scriptures and the difficulty to understand simply we are trapped in this busy world of devil and the devil does not allow us to think about where we come from where we go to and why we live in this world that was stated in the bible as dead saying and another of his disciples said unto him lord suffer me first to go and bury my father but jesus said unto him follow me and let the dead bury their dead matthew 8:22 as the result we just go to church for self relief and follow the instructions of the church for no reason and say we obey to god yet still we do not know what god says leaving every teaching of religious people and traditional religious idea behind i tried to hear from god directly through the bible based upon solid rock foundation of common sense that the truth never changes i did not hesitate to go to the extreme to stand on that foundation and i believe that extreme faith gave me understanding divine only god who is in extreme high place as the bible says no one can come to me unless the father who sent me draws him and i will raise him up on the last day john 6:44 this book is not intended to draw people into belief but to guide god s people that are lost in other words it is only for sons of god it doesn t necessarily mean that my way is the best way so anybody who knows the way should follow own way

many christians spend their lives trying to act right think right and pray right based on what they ve heard god expects only to end up frustrated burned out and wondering is this really what god wants for his children other believers face a perpetual wrestling match with guilt doubts and questions about their faith it doesn t have to be that way many of us rely on secondhand information to understand the kind of relationship god waants with us instead of looking to the scriptures yet if we take a closer look we find that he has given us the answers to many of our deepest questions in his word discovery addresses many of these questions guiding readers through old and new testament passages to find the answers we yearn for thoughtful questions at the end of each chapter help us take the next step moving head knowledge to heart knowledge

as we discover how god's answers apply personally to our lives discovery helps redirect those who have grown up knowing about the lord but who have not experienced the deep meaningful relationship he wants with them and for new believers this study will help them begin their walk with god on the right foot all believers can experience joy peace and a sense of god's love even in the midst of a question filled world

the condensed word of god offers succinct summaries of the bible's books chapter by chapter these straightforwardly worded paragraphs grouped by biblical book and numbered by chapter give the reader a clear sense of each chapter in the bible these summaries can substitute for a sustained reading of the bible or they can provide insights for one to use as guides for bible reading the one exception to this approach is revelation as the introduction notes revelation 22:19 pronounces a judgment if anyone takes words away from this book of prophecy god will take away from him his share in the tree of life and in the holy city for this reason the condensed word of god suggests reading this biblical book from one's chosen translation summaries naturally are shorter than their sources and set aside some of the source's details even so the condensed word of god gives a clear sense of each chapter's main points this is clear when one compares the widely beloved psalm 23 with the summary in the condensed word of god the lord is my shepherd and he takes care of me he comforts me from death and from my enemies and i shall dwell with him forever whether one desires a companion for one's study of the full text of the bible or one seeks an approachable distillation of the bible's main themes the condensed word of god will meet one's expectations providing easy access to the bible's nearly innumerable high points

inside the covers of this book you will find the real scriptures of the christian churches many church leaders know that other christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books it isn't in the canon of scripture formed of course by the early catholic church at various stages and councils from the fourth century and therefore no one has the right to change what is in the canon of scripture and the catholic church changed it in their councils not in agreement of other christians but to hide their offence at the words of god they would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the catholic church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of scripture over many centuries they will not consider the canons of orthodox churches or others

because they vary in different regions of the world so is european christianity based in the vatican city right about all its holy scriptures while everyone elses church scriptures are false scriptures ethiopia it seems got most books of scripture right even with their translation into an ancient language the real scriptures edited by james platter above a layman who formerly studied the scriptures for many years with the baptist bible fellowship in san dimas california in the united states but now rejects the reduced 1627 a d version of the kjv bible and formally learned the greek language of the new testament at capernwray missionary fellowship moss vale n s w australia under the reverend alan catchpoole in 1973
