this book includes the most significant sporting events of the 1960s covering all the moments that generated tremendous growth in professional and college sports in america during this decade it features stories such as roger maris breaking babe ruth s home run record wilt chamberlain scoring 100 points and muhammad ali beating sonny liston sports became a national obsession in the 1960s as people tuned in on their new televisions to watch the exploits of some of the most legendary athletes and teams in history it was the decade of mickey mantle jim brown bill russell bobby hull and arnold palmer the decade when the celtics dominated basketball joe namath delivered on his super bowl guarantee and the miracle mets won the world series in the 1960s in sports a decade of change miles coverdale looks back at what was arguably the greatest decade in sports history when the sports world of today began to take shape during a very tumultuous period of american history at the start of the decade thirteen years after jackie robinson broke the color barrier in baseball major league rosters were still populated mostly by white americans the nfl and nba were struggling financially and were much less popular than college football and basketball the olympics were still open only to amateur athletes but the sports landscape changed dramatically in the 1960s coverdale traces this development by covering the significant events and iconic players of the decade including stars such as sandy koufax johnny unitas bobby orr and jack nicklaus there were great teams and incredible rivalries and professional and college sports alike expanded and thrived featuring over 70 photos of legendary athletes and memorable moments the 1960s in sports transports the reader back to a golden age in sports with additional coverage of important historical events such as the cold war vietnam and the civil rights movement this book also reveals how social and political events impacted the sports world making it an invaluable resource for anyone interested in this significant decade

here is a through assessment of the development of the university of kansas

during its first century clifford s griffin traces the university from little more than a high school or preparatory school to a college and then to a major institution no mere chronicle of the university s triumphs and progress this book gives equal attention to the many disappointments and frustrations over the years griffin concerns himself not only with the physical growth of the institution but with the nature of the university s goals and character as well from john fraser to w clarke wescoe each chancellor of the university of kansas faced unique problems in shaping the destiny of the ever expanding institution they struggled with the perils of an unstable economy enrollment crises departmentalization disagreements with faculty and regents disputes over open admission and the importance of scholarly research demands for higher salaries and alteration of the curriculum and even grasshopper plagues each administration competed for legislative appropriations status and public support anyone who has been associated with the university will find in this history many of the things he remembers best its social organizations athletic contests student pranks class feuds and campus politics colorful mount oreid personalities are described leaders scholars politicians and benefactors thirty six photographs trace different phases of the university s growth even those individuals well informed concerning the history of the university will learn much about its past and its potential for the future in addition griffin explores ideas about the purposes and practices of higher education including the concept of the american state university as a servant of society in many respects the development of the university paralleled the growth of the state itself this book is therefore a valuable contribution to the cultural and intellectual history of the nineteenth and twentieth centuries in kansas

finds in the history of denver s conservation library a microcosm of the growth of the environmental movement as a whole

previous eisenhower biographers have touched on his heart condition but clarence lasby is the first to examine the impact of the president s health on the nation he offers a dramatic revisionist account of the events surrounding the president s 1955 heart attack and subsequent efforts by the president and his staff to minimize its political impact drawing on newly opened medical records and personal papers of eisenhower s physicians lasby challenges virtually everything we have believed about the president s heart attack most disturbingly he has discovered that the president s personal physician dr howard snyder misdiagnosed the attack as a gastrointestinal problem and waited ten hours before sending eisenhower to the hospital lasby also sets the record straight on how the president and his aides managed the public s understanding of events and he offers evidence that eisenhower dr snyder and press secretary james hagerty withheld and recast information to serve the president s political priorities equally important lasby s book offers a touching portrait of a proud man faced with a debilitating disease it examines ike s private struggle to lead a full life despite his condition and analyzes his decision to seek a second term even against the advice of cardiologist paul dudley white it also shows how a man who had always carefully joked after his health now became obsessed with it

presents an assessment of the johnson administration including the vietnam issue

fao review on development varies

Right here, we have countless books  
**Art Since 1960 World Of Art** and  
collections to check out. We
