Recap Remembering Modernisms Core Tenets Before we proceed lets briefly revisit the key characteristics of Modernism roughly 1890-1970

- Emphasis on innovation
- A rejection of traditional forms and styles in favor of experimentation and new ways of seeing the world
- Formal experimentation Exploring new mediums techniques and styles often resulting in abstract or nonrepresentational works Think Cubism Picasso Braque Futurism Boccioni Balla and Abstract Expressionism Pollock Rothko
- Individual expression A focus on the artists unique vision and emotional experience often expressed through subjective and personal works
- Belief in progress and rationality

Modernism in its initial stages often held a belief in the power of reason and technology to improve society

The Rise of AntiModernism A Reaction to Modernitys Promises While Modernism flourished a countermovement emerged known as AntiModernism or sometimes Traditionalism This wasnt a unified movement but rather a collection of artistic responses questioning the core tenets of Modernism Many AntiModernist artists felt that Modernisms emphasis on abstraction and experimentation had alienated the audience and lost touch with traditional values and representational art

Visual Example The Persistence of Traditional Styles Imagine the stark contrast between Jackson Pollocks drip paintings Modernist and the meticulous realistic portraits of Andrew Wyeth AntiModernist Wyeths work while created in the mid-20th century harkened back to realist traditions emphasizing meticulous detail and a focus on the tangible world This deliberate rejection of abstraction was a key characteristic of AntiModernism

How to Identify AntiModernist Art Look for representational art Subjects are clearly depicted and recognizable Observe traditional techniques The artist may employ classical techniques like meticulous brushwork or traditional materials Notice a focus on craftsmanship A high level of skill and attention to detail are apparent Identify thematic concerns AntiModernist art often deals with themes of faith tradition and the beauty of the natural world

Postmodernism Embracing Complexity and Paradox Postmodernism roughly 1970-present emerged as a reaction to both Modernism and Anti Modernism It rejected the idea of grand narratives and universal truths embracing irony fragmentation and the blurring of boundaries between high and low culture

Visual Example Pop Art and its Irreverence Andy Warhols iconic Campbells Soup Cans perfectly illustrate the spirit of Postmodernism By elevating a mundane massproduced object to the status of high art Warhol subverted traditional notions of artistic value and challenged the elitism often associated with the art world This playful appropriation of popular culture is a hallmark of Postmodern art

How to Identify Postmodern Art Look for appropriation

and pastiche Artists borrow and recombine elements from different styles and historical periods Observe irony and playful subversion The works often challenge traditional artistic conventions and societal norms with a sense of humor or irony Notice a blurring of high and low culture Popular culture mass media and everyday objects are integrated into the artwork Identify a sense of fragmentation and deconstruction The works may appear fragmented incomplete or deliberately ambiguous Practical Exercise Analyzing an Artwork Choose an artwork from the period 1900present Ask yourself 1 Is it representational or abstract 2 What are the dominant techniques employed 3 3 What is the subject matter 4 What emotions or ideas does the artwork evoke 5 Does it align more with Modernism AntiModernism or Postmodernism Why By engaging in this exercise youll develop a stronger understanding of how to analyze and appreciate art from this pivotal period Key Differences Summarized Feature Modernism AntiModernism Postmodernism Style Abstract experimental Representational traditional Mixed eclectic often ironic Emphasis Innovation individuality Tradition craftsmanship Deconstruction appropriation Worldview Belief in progress rationality Rejection of modern alienation Skepticism relativism Key Examples Picasso Pollock Kandinsky Andrew Wyeth Edward Hopper Warhol Lichtenstein Jeff Koons Frequently Asked Questions 1 Q What is the difference between Modernism and Postmodernism A Modernism championed innovation and grand narratives while Postmodernism questioned these very ideas embracing irony fragmentation and the deconstruction of established norms 2 Q Is AntiModernism simply a rejection of all modern art A No its more a reaction against specific aspects of Modernism primarily its abstraction and perceived alienation from traditional values and representational art 3 Q How can I tell if an artwork is genuinely postmodern A Look for characteristics like appropriation irony a blending of high and low culture and a questioning of grand narratives Context is crucial consider the artists statements and the historical moment 4 Q Are these movements mutually exclusive A No Theres considerable overlap and influence between these movements and artists often defy easy categorization 5 Q Where can I find more information on these art movements A Excellent resources include museum websites MoMA Tate Modern Met art history textbooks and reputable online art encyclopedias This expanded exploration of art since 1900 hopefully offers a more complete picture of 4 Modernism AntiModernism and Postmodernism Remember art history is a continuous dialogue and understanding these movements helps us to better appreciate the complexities of contemporary art Keep exploring keep questioning and keep enjoying the rich tapestry of artistic expression

the radical postmodernist waves of experimentation that swept anglo american fiction from the late 1960s constitute a delayed response to the upheavals of the second world war yet the legacy of the war barely figures in prevalent accounts of the postmodernist movement as paul crosthwaite shows in this provocative book to recognize the significance of the war in contemporary culture is to acknowledge that postmodernism as a sensibility aesthetic style and mode of thought must be entirely reconceived challenging dominant theorizations of the postmodern as depthless and dehistoricized crosthwaite demonstrates that postmodernism has not

abandoned history but has rather reformulated it in terms of trauma trauma that is traceable time and again to the catastrophes of the 1940s the book stages a revealing confrontation between influential theories of trauma and postmodernism and offers innovative close readings of key texts by virginia woolf thomas pynchon michael moorcock j g ballard richard powers and ian mcewan
