the fascinating story of the rise of asian americans as a politically and socially influential racial group this groundbreaking

book is about the transformation of asian americans from a few small disconnected and largely invisible ethnic groups into a self identified racial group that is influencing every aspect of american society it explores the junctures that shocked asian americans into motion and shaped a new consciousness including the murder of vincent chin a chinese american by two white autoworkers who believed he was japanese the apartheid like working conditions of filipinos in the alaska canneries the boycott of korean american greengrocers in brooklyn the los angeles riots and the casting of non asians in the broadway musical miss saigon the book also examines the rampant stereotypes of asian americans helen zia the daughter of chinese immigrants was born in the 1950s when there were only 150 000 chinese americans in the entire country and she writes as a personal witness to the dramatic changes involving asian americans written for both asian americans the fastest growing population in the united states and non asians asian american dreams argues that america can no longer afford to ignore these emergent vital and singular american people

the dramatic real life stories of four young people caught up in the mass exodus of shanghai in the wake of china s 1949 communist revolution a heartrending precursor to the struggles faced by emigrants today a true page turner helen zia has proven once again that history is something that happens to real people new york times bestselling author lisa see named one of the best books of the year by npr and the christian science monitor finalist for the pen jacqueline bograd weld award for biography shanghai has historically been china s jewel its richest most modern and westernized city the bustling metropolis was home to sophisticated intellectuals entrepreneurs and a thriving middle class when mao s proletarian revolution emerged victorious from the long civil war terrified of the horrors the communists would wreak upon their lives citizens of shanghai who could afford to fled in every direction seventy years later members of the last generation to fully recall this massive exodus have revealed their stories to chinese american journalist helen zia who interviewed hundreds of exiles about their journey through one of the most tumultuous events of the twentieth century from these moving accounts zia weaves together the stories of four young shanghai residents who wrestled with the decision to abandon everything for an uncertain life as refugees in hong kong taiwan and the united states benny who as a teenager became the unwilling heir

to his father's dark wartime legacy must decide either to escape to Hong Kong or navigate the intricacies of a newly communist China. The resolute Annunzio is forced to flee her home with her father, a defeated nationalist official, becoming an unwelcome exile in Taiwan. The financially strapped Ho fights deportation from the U.S. in order to continue his studies while his family struggles at home and Bing, given away by her poor parents, faces the prospect of a new life among strangers in America. The lives of these men and women are marvelously portrayed, revealing the dignity and triumph of personal survival. *Herself*, the daughter of immigrants from China, Zia is uniquely equipped to explain how crises like the Shanghai transition affect children and their families, students and their futures, and ultimately the way we see ourselves and those around us. *Last Boat Out of Shanghai* brings a poignant personal angle to the experiences of refugees then and by extension today. Zia's portraits are compassionate and heartbreaking and they are ultimately the universal story of many families who leave their homeland as refugees and find less than welcoming circumstances on the other side. Amy Tan, author of *The Joy Luck Club*.

the most extraordinary family you've never heard of. Born to Chinese immigrant parents, the Moy siblings grew up in an America that questioned their citizenship and denied their equality. Sophisticated and self-consciously modern, they challenged limitations and stereotypes in the United States and sought new opportunities in China's tumultuous Republic. Sometimes the risks they took paid off, but their occasional recklessness also led to infidelity, divorce, bankruptcy, and worse. Those in China faced pressure to collaborate with Japanese occupiers, making choices that had serious consequences for their siblings in the United States. Charlotte Brooks's gripping tale follows the family back and forth across the Pacific and through two world wars, China's nationalist and communist revolutions, and the Cold War events that the siblings and their spouses helped shape. The Moy's incredible story offers a kaleidoscopic view of an entire generation's struggle for acceptance and belonging.

women, though historically oppressed, have always played a crucial role in global communities. As more women are taking leadership positions in social, political, and business roles, it is essential to examine the way in which these women impact

cultural development and societal progression in some cases these women community leaders impact goes beyond their communities and affect transformative cultural change globally women community leaders and their impact as global changemakers examines how communities change based on cultural resilience advocates it examines female leaders of local communities making an impact that either could be replicated at a global level or impact on a global scale covering topics such as governmental transformation human rights and social change through technology this premier reference source is a dynamic resource for feminists governmental organizations libraries students and educators of higher education entrepreneurs leaders in business non profit organizations empowering women and girls researchers and academicians
