in 1999 joseph pine and james gilmore offered this idea to readers as a new way to think about connecting with customers and securing their loyalty as a result their book the experience economy is now a classic embraced by readers and companies worldwide and read in more than a dozen languages and though the world has changed in many ways since then the way to a customer's heart has not in fact the idea of staging experiences to leave a memorable and lucrative impression is now more relevant than ever with an ongoing torrent of brands attacking consumers from all sides how do you make yours stand out welcome to the new experience economy with this fully updated edition of the book pine and gilmore make an even stronger case that experience is the missing link between a company and its potential audience it offers new rich examples including the u s army heineken experience autostadt vinopolis american girl place and others to show fresh approaches to scripting and staging compelling experiences while staying true to the very real economic conditions of the day

this text seeks to raise the curtain on competitive pricing strategies and asserts that businesses often miss their best opportunity for providing consumers with what they want an experience it presents a strategy for companies to script and stage the experiences provided by their products
