1st ed 1983

this work compiles selected speeches letters and statements by the father of burmese independence aung san the editor s introduction offers an overview of this remarkable man s life thought and achievements the documents included here provide insight into the politics of aung san an eminently pragmatic leader focused on attaining both national unity and social harmony through his own words

focuses on the state s efforts to industrialize myanmar first through direct intervention and planning under a socialist economic framework as interpreted by the state leaders 1948 88 and lately 1989 onwards through state managed outward orientation

aung san suu kyι spoke passionately about non violence she wrote involved articles about compatibility of democracy with buddhism and she won the hearts and minds of so many with her call for the freedom from fear it seemed for more than two decades that suu kyι was a perfect non western propagator of democracy human rights rule of law yet a deeper analysis reveals that suu kyι intellectually indeed has been a democrat all along but a burmese democrat suu kyι understands democracy in a buddhist way and she reasons about politics using buddhist ideas idioms and concepts this buddhist dominance of her political thought had several consequences the most important one being that her approach to politics has first and foremost been a moral one her vision of democracy and of politics in general is a moral vision it is something i propose to call the moral democracy the same reason that made her famous and admired worldwide now contributed to her fall from grace for too many outside burma myanmar it is impossible to understand how suu kyι yesterday s global personification of good and morality can now silently endorse crimes against humanity conducted in her country and accept forced relocation of 700 thousand people a cynic would quote bertrand russell s words we have two kinds of morality side by side one which we preach but do not practice and another which we practice but seldom preach and add a commentary that it applies especially to politicians one however may offer a more favourable explanation that

suu kyi represents a tragic clash of ideas including moral ideas with political reality whatever the case it was morality that made her famous it was the same moralistic attitude that contributed to her removal from international olympus and it is this moral understanding of politics that is the hallmark of her political thought which is here to stay for longer as political ideas last longer than changing political circumstances and fashions from the preface the dramatic fall from grace of burma s human rights icon aung san suu kyi shocked the world michał lubina s magisterial account of aung san suu kyi s political education demystifies the behavior in power of this otherwise enigmatic leader this is the indispensable book for anyone who wants to understand the mind of one of the world s most controversial women prof salvatore babones university of sydney dr michał lubina known in poland for portraying aung san suu kyi not as a human rights activist but as a realist politician in the very footsteps of her father now comes out with his research to the international audience following the example of mahbubani s can asian think lubina shows the intellectual and philosophical tradition of myanmar through the case study of suu kyi s political thought it s a unique undertaking that presents suu kyi from an unexpected angle as a theoretician and political thinker or sage both the scope of research done and the material presented are very impressive and rather unique even on international scene prof bogdan góralczyk university of warsaw former ambassador to myanmar this book is a well documented and well constructed multilayered complex analytical work based on very rich research interviews with suu kyi and personal observations of the author who displays unquestioned analytical skills as such the book represents a pioneer work in burmese studies prof agnieszka kuszewska jagiellonian university in cracow none of the numerous books and articles that i have read about daw aung san suu kyi dissects her political thoughts and background as thoroughly as the book written by dr michał lubina he shows the political construction of her character her struggle her idealism her sources of inspiration and her weaknesses it is a necessary publication to read in order to understand historical and contemporary policymaking in today s burma dr marion sabrié university of rouen normandy

Burma is a resource rich country in transition from monarchy to British colony from independence to military dictatorships and from the generals to the lady Aung San Suu Kyi. This book traces one of the longest civil wars in history. It's about the Rohingya, a brutally persecuted people. It's about pro-democracy uprisings, about sacrifice and above all, the human resilience and capacity for hope. The book is based on true events and provides unique firsthand insights into key players in this enigmatic and troubled nation.

Volumes 7, 77, 80, 83 include 13th, 83rd, 86th, 89th annual report of the American Baptist Missionary Union.

Freedom from Fear collected writings from the Nobel Peace Prize winner Aung San Suu Kyi. Aung San Suu Kyi's collected writings, edited by her late husband whom the ruling military junta prevented from visiting Burma as he was dying of cancer, reflect her greatest hopes and fears for her fellow Burmese people and her concern about the need for international cooperation in the continuing fight for Burma's freedom. Bringing together her most powerful speeches, letters, and interviews, this remarkable collection gives a voice to Burma's woman of destiny whose fate remains in the hands of her enemies. Recipient of the Nobel Peace Prize and the Sakharov Prize for Freedom of Thought and Leader of Burma's National League for Democracy, Aung San Suu Kyi is one of the world's greatest living defenders of freedom and democracy and an inspiration to millions worldwide. This book sits alongside Nelson Mandela's memoir *Long Walk to Freedom*. This book is bound to become a classic for a new generation of Asians who value democracy even more highly than Westerners do simply because they are deprived of the basic freedoms that Westerners take for granted. The New York Times: Aung San Suu Kyi's extraordinary achievement has been to confront the regime peacefully, reasonably, and persuasively in one of the most laudable continuing acts of political courage. Financial Times: Such is the depth of passion and learning that she brings to her writings about national identity and its links with culture and language that she has attracted the admiration of intellectuals around

the world sunday times aung san suu kyi is the leader of burma s national league for democracy she was placed under house arrest in rangoon in 1989 where she remained for almost 15 of the 21 years until her release in 2010 becoming one of the world s most prominent political prisoners she is also the author of letters from burma

the past two decades since the end of the cold war have been years of remarkable change and transformation for southeast asia long seen as an arena for superpower rivalry southeast asia is increasingly coming into its own by locating itself at the forefront of regional integration initiatives that involve not only the association of southeast asian nations but major external powers such as the united states china india japan and australia as well at the same time the past two decades has seen the revival of old animosities as well as the emergence of new security challenges confronting the region old animosities include unresolved territorial disputes while new challenges range from regional and global financial crises terrorism and pandemics significant changes within the ten southeast asian countries covered in this book have also transpired that have affected not only the complexion of domestic politics but have also impacted regional diplomacy as well such as the creation of potentially the eleventh southeast asian country timor leste extensively updated and revised in light of these changes and developments this fourth edition of dictionary of the modern politics of southeast asia contains profiles of each southeast asian country following this it provides more than 450 alphabetically arranged individual entries providing detailed accounts and analyses on major episodes and treaties political parties and institutions civil society movements and regional and international organizations biographies of significant political leaders and personalities both past and present are also provided entries are comprehensively cross referenced and an index by country directs readers to all entries concerning a particular country the dictionary also includes an extensive bibliography that serves as a guide to further reading it is an essential reference tool for all scholars and students of asian politics and international affairs and a vital resource for journalists diplomats policy makers and others with an interest in the region

the leader of burma's democracy movement aung san suu kyi has joined nelson mandela martin luther king jr mahatma gandhi and the dalai lama in the global pantheon of those whose lives are dedicated to freedom throughout the world she is associated with a peaceful struggle for democracy and human rights but what is she really like what drives her to make such enormous personal sacrifices for her country jesper bengtsson presents a portrait of one of today's most significant political activists he chronicles her background as the daughter of burma's liberation hero aung san the years she spent in england and new york and her return to burma in the 1980s first placed under house arrest by the military junta in 1989 she spent fifteen of the subsequent twenty one years in captivity separated from her husband and two children throughout that period she remained a unifying figure and activist for burma's democracy movement awarded the nobel peace prize in 1991 she saw her reputation and her international stature grow the longer she was under house arrest upon her release in november 2010 she immediately took up her work with the democracy movement and proved that she remains the most important political force in burma aung san suu kyi's ability to affect people and repressive regimes reflects not only her personal charisma and courage but also her devotion to one of the great issues of our times what is necessary for democracy to evolve from a deeply authoritarian system

volumes 7 77 80 83 include 13th 83rd 86th 89th annual report of the american baptist missionary union

in light of recent debates and studies on what political scientists call developmental authoritarianism and what some economists consider the east asian model of economic growth this book analyzes and evaluates burma's economic performance under military management it considers the relationship between democracy and economic growth especially the thesis advanced by asian authoritarian leaders that sociopolitical stability and discipline must be established as a prerequisite to economic development based upon empirical and historical facts the book shows that the present

military regime's denial of democracy to the people and its ostentatious economic reforms have not promoted real economic growth and human development in Burma. That regime, the State Law and Order Restoration Council (SLORC), consists of poorly educated power-driven rulers. The book underscores that Burma's lack of economic development despite its rich natural resources lies in the regime's misuse of both human capital and those natural resources. They have depressed the country's social capability for past, present, and future economic development.

writings of the statesman and leader of freedom struggle in Burma

Eventually, **Aung San Of Burma** will categorically discover a further experience and achievement by spending more cash. nevertheless when? reach you bow to that you require to acquire those all needs taking into consideration having significantly cash?
