the sphere is a novel by corneel booyesen the book describes the physical emotional and spiritual journey of a character named victor that relocates to a foreign country with his family while the book initially describes the journey from a physical perspective and occasionally dwells on the emotional aspects associated with relocation it quickly turns into a deeper spiritual and emotional journey as the family joins an organization called the sphere at first the family is overjoyed as they are immersed in a friendly and loving community for a period they experience a deep sense of belonging and revel in their perceived personal growth but several troublesome incidents and inconsistencies in the organization eventually leads to a growing feeling of cognitive dissonance attempts to find answers lead victor down a path of disillusion rejection and ultimately isolation as he unearths the real motivations of the organization he once held so dear at times the style of the narrative represents a literary abstract painting as the author wields the colors of the bizarre and the brush of symbolism to illustrate spiritual character progression that is perched on a canvas of evolving circumstances ultimately the book puts the reader into the same position as the main character where every person is challenged with the same deep existential and spiritual questions regarding faith and organized religion

from the very moment of my consciousness beginning stages of teething i found out whom i was what i d been before most importantly just whom i was soon to become for years i d longed for consistent stable relationships whether it was seeking the attention i d always wished for from my dad or the beauty that i d always seen in the greatest creation known to man woman yes i ve always been a lover s boy with a heart of tender loving care my mom told me one day always treat a woman the way you d want your mama to be treated this is blueprint to my life but quickly it became the destruction before my eye s from the way the i embraced the beautiful mother nature the photosynthesis of into life the experiences the oppression spirituality love conditions that alter us all these things make up of something that only you could self reflect i looked at this opportunity of life as i did embracing the gems within a woman indeed i came from you soo did all things that has birth of life while my photosynthesis may have been a bit different grown a bit wilder with thorns with lack of knowing how to tend to the garden of life this is called growing pains one of which i ve felt hard pressed from all sides i have a saying that the abused in turn becomes the abuser well if that s the case then i guess i have succumbed to the

accuser from panged outcries of the fetus in the womb to the being that lived in bodily form to be doomed i was oppressed to have caused pressure all in all i simply wanted to make love to this thing called life this was my reason of why without even knowing the repercussions consequences that would follow behind good thing my dad told me that a mistake is no longer a mistake once you correct it each life lived is a book to be written all we have to do is open it there lies the answers within mine i found the book of gems
