surely you've lain awake at night to ponder life beyond time or dreamed restlessly of those multi-honored beasts of revelation or became frustrated because you don't know how to properly use your athame how about all those times you came across a theological word that battered your brain no problem history and mystery the complete eschatological encyclopedia of prophecy apocalypticism mythos and worldwide dynamic theology has arrived here just for you are four volumes of exhaustive information that every student teacher and interested person everywhere needs to know over 8000 defined words and phrases 60 exploratory essays and mini sections of relational materials await before you know it you'll be the best informed reader in your neighborhood and most of the next state over

secular and spiritual prophets of doom abound in the information rich twenty first century as they have for millennia but there has yet to be worldwide floods meteor impact global computer failure obvious alien contact or direct intervention from god to end the world as we know it considering the frequency with which prophecy apparently fails why do prophecies continue to be made and what social functions do they serve this volume gives a concise but comprehensive overview of the rich diversity of prophecy its role in major world religions as well as in new religions and alternative spiritualities its social dynamics and its impact on individuals lives academic analyses are complimented with contextualized primary source testimonies of those who live and have lived within a prophetic framework the book argues that the key to understanding the more dramatic apocalyptic and millenarian aspects of prophecy is in appreciating prophecy's more mundane manifestations and its role in providing meaning and motivation in everyday life

stacey campbell a respected teacher and regular and high profile recipient of the gift of ecstatic prophecy explains the ins and outs of this remarkable mode of prophecy

the word in the street 12 amazing prophecies to prepare you for the coming great revival are we in the very end times is the greatest revival before the return of jesus now coming upon us are you prepared to receive it and be part of it are you ready to be empowered my prayer for you humble saints of god is that this easy to read book may strengthen encourage and comfort you as you prepare to be used mightily by the lord with signs miracles and wonders manifested through you page after page of the word in the street will help prepare you for the revival which is about to arise in this country this book points to our redeemer jesus christ and to his amazing imminent revival foretold in the scriptures you will read about issues and events which are about to come to pass events for which this book helps make you ready now saints of god read very carefully for a profound mystery will be revealed through 12 holy spirit given prophecies

confirmed through the scriptures

ignite your prayers with the fire of pentecost from the upper room in jerusalem to this very hour the rushing river of the holy spirit has been flowing since pentecost today heaven is waiting on a bold courageous host of believers to carry the banner of revival author tommy welchel is the last living connection to the saints of the azusa street revival in the river of zion this spiritual general traces the holy spirit s movement from pentecost to azusa and beyond empowering you to join your prayers to god s ongoing work for miraculous results in the river of zion welchel reveals the prophetic connection between israel the azusa street revival and our present moment in history never before shared testimonies of signs and wonders from the azusa street revival that will provoke you to believe for extraordinary miracles today signposts of supernatural times and seasons from different prophecies and holy spirit encounters alerting us to the coming greater glory outpouring

prophecies of godlessness explores the surprisingly similar expectations of religious and moral change voiced by major american thinkers from the time of the puritans to today these predictions of godlessness in american societysometimes by those favoring the foreseen future sometimes by those fearing it have a history as old as america and indeed seem crucially intertwined with it this book shows that there have been and continue to be patterns to these prophecies they determine how some people perceive and analyze america s prospective moral and religious future how they express themselves and powerfully affect how others hear them while these patterns have taken a sinuous and at times subterranean route to the present when we think about the future of america we are thinking about that future largely with terms and expectations first laid out by past generations some stemming back before the very foundations of the united states even contemporary atheists and those who predict optimistic techno utopias rely on scripts that are deeply rooted in the american past this book excavates the history of these prophecies each chapter attends to a particular era and each is organized around a focal individual a community of thought and changing conceptions of secularization each chapter also discusses how such predictions are part of all thought about the good society and how such thinking structures our apprehension of the present forming a feedback loop of sorts extending from the role of prophecies in thomas jeffersons thought to the civil war through progressivism the scopes trial the cold war and beyond prophecies of godlessness demonstrates that expectations about america s future character and piety are not an accidental feature of american thought but have been and continue to be absolutely essential to the meaning of the nation itself

an international review

many of walt whitman s earliest readers hailed him as a religious prophet for them leaves of grass was more than literary art it was sacred scripture recent scholarship has however dismissed those early enthusiasts as naive if not crazy david kuebrich s new study of whitman corrects that academic oversight by giving the early whitmanites their due as the critics who most clearly perceived the nature and purpose of the poet s labors to begin a new religion kuebrich s thorough intelligent study based squarely on textual evidence offers a revisionist interpretation of america s great poet returning religious vision and spirituality to the center of whitman studies

early pentecostals proclaimed the restoration of the charismatic gifts as a sign of the imminent coming of christ this eschatology was later marginalized by the rise of fundamentalist dispensationalism today pentecostal eschatology is being revised to include a more transformative view of the kingdom this book proposes a further revision of pentecostal eschatology created to recover prophetic elements of early pentecostalism that invite a responsible social engagement in the world and to overcome fundamentalist assumptions which have crept into pentecostal theology in it s middle years to this end the eschatological thought of selected pentecostal theologians is placed in dialogue with jurgen moltmann this dialogue critiques fundamentalist tendencies within contemporary pentecostalism by advocating a theology more open to history and creation and a pentecostal ethic both personal and social in scope
