the extraordinary and heartbreaking memoir from one of football's greatest players Paul McGrath is Ireland's best loved sportsman and also its least understood an iconic football presence during a professional career stretching over 14 years he played for his country in the European Championship finals of 1988 and the World Cup finals of 1990 and 1994 but behind the implied glamour of life in the employ of great English clubs like Manchester United and Aston Villa McGrath wrestled with a range of destructive emotions that made his success in the game little short of miraculous that story has until now never been told it is a story that runs from a hard hidden childhood spent in Dublin's orphanages all the way to the pain of two marriage break ups and the struggle to cope with life after football quite apart from his all too public struggle with alcoholism the story runs through the surreal highs and calamitous lows of a life lived habitually on the edge of chaos it is not just a

football story it is an extraordinary human story that is certain to surprise with its candour here for the first time read about the father he never met the mother whose love never died the routine loneliness and ritual bullying endured by a black kid growing up behind closed doors in 1960s dublin the emotional breakdown suffered on leaving that institution the recovery that remarkably brought him all the way to old trafford the rollercoaster ride that followed here the guilt fear self loathing are all laid bare in a story fired with hope and determination for the future it may well be the most candid sports book ever written

in the late summer of 2007 shares of northern rock went into free fall causing a run on the bank the first in over 150 years northern rock proved to be only the first twelve months later as the world was engulfed in the worst banking crisis for more than a century one of its largest banks rbs came within hours of collapse back from the brink tells the gripping story of alistair darling s one thousand days in number 11 downing street as chancellor he had to avert the collapse of rbs hours before the cash machines would have ceased to function at the eleventh hour he stopped barclays from acquiring lehman brothers in order to protect uk taxpayers he used anti terror legislation to stop icelandic banks from withdrawing funds from britain from crisis talks in washington to dramatic meetings with the titans of international banking to dealing with the massive political and economic fallout in the uk darling places the reader in the rooms where the destinies of millions weighed heavily on the shoulders of a few his book is also a candid account of life in the downing street pressure cooker and his relationship with gordon brown during the last years of new labour back from the brink is a vivid and immediate depiction of the british government s handling of an unprecedented global financial catastrophe alistair darling s knowledge and understanding provide a unique perspective on the events that rocked international capitalism it is also a vital historical document

biographic memoirs volume 65 contains the biographies of deceased members of the national academy of sciences and bibliographies of their published works each biographical essay was written by a member of the academy familiar with the professional career of the deceased for historical and bibliographical purposes these volumes are worth returning to time and again

the various dimensions of translation studies too often studied independently are here brought into conversation translation practice including the various crafts employed by its practitioners the specialized contexts in which translation occurs or against which translation can be considered and the

ethico political consequences of translations or the manner of their making including exciting new work from leading translation theorists practicing literary translators and prominent thinkers from adjoining disciplines such as psychoanalysis and neuroscience the essays gathered here demonstrate many rich areas of overlap with translation pedagogy the fundamental nature of translation the translator s creativity retranslation canon formation and the geopolitical stakes of literary translation among them

led into mystery is an unanticipated sequel to john de gruchy s book being human confessions of a christian humanist it was prompted by the untimely and tragic death of his eldest son steve in february 2010 and the questions this posed about the meaning of life and death from the perspective of christian faith

religious liberty is america s first freedom but in recent years challenges to religious liberty have abounded for example some claim that religious freedom promotes intolerance and bigotry while others contend religious freedom condemns people to hell and others weaponize religious liberty for culture warring nevertheless evangelicals believe that religious liberty is fundamentally a matter of human dignity thus religious liberty is a right we must preserve for all people this book will explore how evangelical anthropology cosmology and eschatology offer the most stable basis for religious freedom secular and roman catholic theories may positively contribute to religious liberty but the evangelical model is superior because it answers fundamental questions left unanswered in other models

a powerful chronicle of the transformation of english football and society through the prism of two very different characters irish times jack was open charismatic selfish and pig headed bobby was guarded shy polite and reserved to the point of reclusiveness jack was a gangling central defender who developed a profound tactical intelligence bobby an athletic attacking midfielder who disdained systems yet the charlton brothers both enjoyed great success as football players and together for england they won the world cup two brothers is both the story of the most famous football players of their generation and an account of late twentieth century english football the tensions between flair and industry between individuality and the collective between right and left between middle and working classes between exile and home wilson is meticulous in providing all manner of nuggets sports books of the year the times gripping daily mail moving chronicles two remarkable lives guardian

from the pharaohs to fanon dictionary of african biography provides a

comprehensive overview of the lives of the men and women who shaped Africa's history unprecedented in scale. It covers the whole continent from Tunisia to South Africa, from Sierra Leone to Somalia. It also encompasses the full scope of history from Queen Hatshepsut of Egypt (1490-1468 BC) and Hannibal the military commander and strategist of Carthage (243-183 BC) to Kwame Nkrumah of Ghana (1909-1972), Miriam Makeba and Nelson Mandela of South Africa (1918).

The *Love Song of André P. Brink* is the first biography of this major South African novelist who, during his lifetime, was published in over 30 languages and ranked with the likes of Gabriel García Márquez, Peter Carey, and Aleksandr Solzhenitsyn. Leon de Kock's eagerly awaited account of Brink's life is richly informed by a previously unavailable literary treasure: the dissident Afrikaner's hoard of journal writing, a veritable chronicle that was 54 years in the making. In this massive new biographical source running to a million words, Brink does not spare himself or anyone else for that matter, as he narrates the ups and downs of his five marriages and his compulsive affairs with a great number of women. These are precisely the topics that the rebel in both politics and sex skated over in his memoir *A Fork in the Road*. De Kock's biographical study of the author who came close to winning the Nobel Prize for literature not only synthesises the journals but also subjects them to searching critical analysis. In addition, the biographer measures the journals against additional sources, both scholarly and otherwise, among them the testimony of Brink's friends, family, wives, and lovers. The *Love Song of André P. Brink* subjects Brink's literary legacy to a bracing scholarly re-evaluation, making this major new biography a crucial addition to scholarship on Brink.

From Marilyn to Mussolini, people captivate people. A *World List of Books in the English Language* best-selling autobiographies and biographical novels testify to the popularity of the genre, but where does one begin? Collected here are descriptions and evaluations of over 10,000 biographical works, including books of fact and fiction, biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians.
