in 1978 ed koch assumed control of a city plagued by filth crime bankruptcy and racial tensions by the end of his mayoral run in 1989 and despite the wall street crash of 1987 his administration had begun rebuilding neighborhoods and infrastructure unlike many american cities koch s new york was growing not shrinking gentrification brought new businesses to neglected corners and converted low end rental housing to coops and condos nevertheless not all the changes were positive aids crime homelessness and violent racial conflict increased marking a time of great if somewhat uneven transition for

better or worse koch's efforts convinced many new yorkers to embrace a new political order subsidizing business particularly finance insurance and real estate and privatizing public space each phase of the city's recovery required a difficult choice between moneyed interests and social services forcing koch to be both a moderate and a pragmatist as he tried to mitigate growing economic inequality throughout koch's rough rhetoric attacking his opponents as crazy wackos and radicals prompted charges of being racially divisive the first book to recast koch's legacy through personal and mayoral papers authorized interviews and oral histories this volume plots a history of new york city through two rarely studied yet crucial decades the bankruptcy of the 1970s and the recovery and crash of the 1980s

praise for the science of success evaluating the success of an individual or company is a lot like judging a trapper by his pelts charles koch has a lot of pelts he has built koch industries into the world's largest privately held company and this book is an insider's guide to how he did it koch has studied how markets work for decades and his commitment to pass that knowledge on will inspire entrepreneurs for generations to come t boone pickens a must read for entrepreneurs and corporate executives that is also applicable to the wider world mbm is an invaluable tool for engendering excellence for all groups from families to nonprofit entities government leaders could avoid policy failures by heeding the science of human behavior richard l sharp chairman carmax my father sam walton stressed the importance of fundamental principles such as humility integrity respect and creating value that are the foundation for success no one makes a better case for these principles than charles koch rob walton chairman wal mart what accounts for koch industries spectacular success charles koch calls it market based management a vision that nurtures personal qualities of humility and integrity that build trust and the confidence to enhance future success through learning from failure and a culture of thinking in terms of opportunity cost and comparative advantage for all employees vernon smith 2002 nobel laureate in economics in a very thoughtful creative and understandable way charles koch explains how he has used the science of human behavior to create a culture that has produced one of the world's largest and most successful private companies a must read for anyone interested in creating value william b harrison jr former chairman and ceo jpmorgan chase co the same exacting thought rooted in the realities of human nature that the framers of the u s constitution put into building a nation of entrepreneurs charles koch has framed to build an enduring company of entrepreneurs a company larger than microsoft dell hp and other giants every entrepreneur should study this book verne harnish founder young entrepreneurs organization author of mastering the rockefeller habits ceo gazelles inc

new york times bestseller learn how to apply the principles of charles koch's revolutionary market based management system to generate good profit in your organization company and life this book helps show you the way to good profit whether you work for an international supermarket chain a medium sized regional business or your own start up john mackey co founder and co ceo whole foods market the technological innovations extreme politics civil unrest cyber attacks demographic shifts and global pandemic that have affected all businesses since this book was published have only confirmed charles

koch's belief that the only reason a business should exist and the only way it can legitimately survive long term is to create value in a responsible way hence the principles in good profit are more important today than ever before what exactly does koch industries inc do and why is it so remarkably profitable koch's name may not be on your home's plywood vehicle's grille smartphone's connectors or baby's ultra absorbent diapers but it makes them all and koch's market based management mbm system is what drives these innovations and many more the core objective of mbm is to generate good profit good profit results from products and services that customers vote for freely with their dollars it results from a bottom up culture where employees are empowered to act entrepreneurially to discover customers preferences and the best ways to improve their lives drawing on six decades of interdisciplinary studies experimental discovery and practical implementation across koch businesses worldwide charles koch walks the reader through the five dimensions of mbm to show how to apply its framework in any business industry or organization of any size readers will learn how to craft a vision for how to thrive in spite of increasingly rapid disruption and ever changing consumer values select and retain a workforce possessing both virtue and talent create an environment of knowledge sharing that prizes respectful challenges from everyone at every level award employees with ownership and decision rights based on their comparative advantages and proven contributions not job title motivate all employees to maximize their contributions by structuring incentives so compensation is limited only by the value they create a must read for any leader entrepreneur or student as well as anyone who wants a more civil fair and prosperous society good profit is one of the greatest management books of all time

with an emphasis on ecological theory while incorporating the principles of positive behavior support and problem solving functional behavioral assessment this book addresses classroom management theory and strategies for three age groups early childhood middle school and secondary school as in prior editions the goal of this book is to broaden and deepen future teachers understanding of the behavioral problems they are likely to encounter as well as the solutions they are likely to find effective current trends in education are thoroughly explored and analyzed and research based strategies are drawn from the full spectrum of management styles behavioral cognitive behavioral social learning and humanistic for future teachers of pre middle and secondary school students in tomorrow's classrooms

appropriate for introductory management courses in canadian colleges and universities written in an accessible conversational style management takes a global approach to the subject the book profiles canadian managers contains canadian examples and cases throughout improvements to existing topics have been incorporated into this edition including a new chapter on managing communication and information technology this edition has re worked the writing style to speak to the student by showcasing a young canadians section for managers less than 40 years of age in addition there is more emphasis on small business and entrepreneurial ventures and will as improved visual delivery of material through effective application of charts diagrams and tables
