two leading experts in terrorism provide smart granular analysis of the group's brutally effective strategy tactics and ideology washington post the islamic state known as isis exploded into the public eye in 2014 capturing the imagination of the global jihadist movement and attracting recruits in unprecedented numbers it also exhibited a level of sadistic violence and destruction that has alienated even the hardcore terrorists of its parent organization al qaeda in isis the state of terror jessica stern and j m berger trace the ideological innovations that the group deploys to recruit unprecedented numbers of westerners the composition of its infamous snuff videos and the technological tools it exploits on social media to broadcast its atrocities they also examine isis's predatory abuse of women and children and its use of horror to manipulate world leaders and its own adherents as it builds its twisted society the authors conclude with a much needed perspective on how world leaders should respond to isis's insidious provocations

with his trademark sardonic wit and lacerating logic new york times bestselling author thomas frank exposes how in the last few decades the american left has made an unprecedented shift away from its working class roots financial inequality is one of the biggest political issues of our time from the wall street bail outs where bankers still received huge bonuses while thousands of people lost their homes to the rise of the one percent who between them control 40 per cent of us wealth so where are the democrats the notional party of the people in all this in his

scathing examination of how the democratic party has failed to combat financial inequality despite being given near perfect conditions for success thomas frank argues that the left in america has abandoned its roots to pursue a new class of supporter elite professionals under this meritocratic system the educated middle class prosper but ordinary workers continue to suffer unless the democrats remember their historic purpose and win back the working class frank warns the rift between america's rich and poor will deepen further still with dire consequences for both sides praise for thomas frank thoroughly entertaining an unabashed polemic frank delights in skewering the sacred cows of coastal liberalism including private universities bike paths microfinance the clinton foundation well meaning billionaires and any public policy offering innovation or education as a solution to inequality the new york times book review

a balanced historical exploration of the euromaidan revolution which draws widely on the accounts of participants and witnesses
