j o moshopeh pratt in his book from the valley to the mountain encourages and motivates his young friends who might be labeled as drop outs to prove that they are not drop outs probably they might be slow or late developers or most probably they might not have had people who were capable to discern that they had potentials in them that needs to be developed parents who have children who are slow in their development process are also encouraged to read this book in order to help their children in the development process rather than push them too fast he discovered that he was in the valley and that was not the place he wanted to be he took steps to travel from the valley up to the mountain he might not have reached the apex of the mountain due to health conditions but at least he is somewhere up there he has come to realize that there will always be valleys in our lives no matter what situation you might be in right now he wants to assure you that armed with his testimony god can still make all things work together for your good god gave him the strength courage power and divine right to change the course of his life to the right direction which leads to the mountain he climbs so must you if he was able to do it you too can do it stay blessed

since 1865 african american architects have been designing and building houses and public buildings but the architects are virtually unknown this work brings their lives and work to light for the first time

the book will focus on the emergence of a racially divided system of teacher preparation and its dismantling post apartheid it will explore the policies and politics of discrepant pathways to teacher preparation within the context of international and comparative trends

from a citrus and truck farming region to the leading bedroom community of orlando seminole county boasts a distinctive past that has been shaped and enriched by the presence of african americans for more than 400 years

this book illuminates the professional career and private lives of j mccants stewart a reconstruction era lawyer minister politician and political activist and his descendants over three generations providing an epic account of an african american family in america adapted from book jacket

between 1888 and 1930 african americans opened more than a hundred banks and thousands of other financial institutions in banking on freedom shennette garrett scott explores this rich period of black financial innovation and its transformative impact on u s capitalism through the story of the st luke bank in richmond virginia the first and only bank run by black women banking on freedom offers an unparalleled account of how black women carved out economic social and political power in contexts shaped by sexism white supremacy and capitalist exploitation garrett scott chronicles both the bank s success and the challenges this success wrought including extralegal

violence and aggressive oversight from state actors who saw black economic autonomy as a threat to both democratic capitalism and the social order the teller cage and boardroom became sites of activism and resistance as the leadership of president maggie lena walker and other women board members kept the bank grounded in meeting the needs of working class black women the first book to center black women s engagement with the elite sectors of banking finance and insurance banking on freedom reveals the ways gender race and class shaped the meanings of wealth and risk in u s capitalism and society
