from the perspective of a veteran pastor and communicator dr leslie parrott describes the function of the usher and provides practical and scriptural guidelines on how this vital role in the church may be carried out with grace and efficiency

Dr. Buddy Bell, founder of Ministry of Helps International, combines humor with informative teaching and practical tips to help ushers realize the importance of serving people with excellence in the local church.

A guide from the late 19th century instructing people in the etiquette of the church. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high-quality modern editions using the original text and artwork.

Church Usher: Servant of God, a concise ministry manual, updated edition by David R. Enlow, is a brief, concise book, 68 pages in length, that gives the church a good look at an often overlooked vital ministry within the church. In the past, the role of the church usher has often been underestimated by church leadership. Anyone can help do this job. Some say proven methods of effective ushering is a concept, but the ministry of ushering takes on new dignity. And in this practical and biblically based study prepared in consultation with ushers from small to large churches, *Church Usher: Servant of God* may be used as a self-improvement study for individuals or taught in a class setting. Head ushers will find it an excellent reference tool for the execution of their duties. For their team, each short chapter ends with a summary and thought-provoking questions to stir discussion and to help with further study.

Church Usher's Manual: A Systematic Approach to Church Ushering by Clyde Jackson. *Church Usher's Manual: A Systematic Approach to Church Ushering* has prayerfully been written for the specific purpose of giving a clear insight into how to effectively serve as a church usher. Please be advised that nothing in this book takes the place of any instructions your pastor might have given you related to ushering in your church. As you study this book, you will learn that at no time should a parishioner walk the aisle looking for seats; assign them immediately. Ushers should be alert at all times. This book, if necessary, can be used in conjunction with any other church ushering materials.

Equip Your Greeters and Ushers for Radical Hospitality: The Greeter and Usher Handbook provides a guide to the responsibilities of those who are generally the first faces visitors encounter in church. The usher and the greeter intended for training use by church staff or volunteers. The text covers responsibilities related to all aspects of creating a welcoming atmosphere for visitors and new members. This revised edition includes updated position descriptions and best practices reflecting a greater use of online resources and an emphasis on the greeter's and usher's role in safety and

security

as we enter our church the first person we often see is the usher while many may look at the position of usher as simply a social one it can be so much more in ushering with a mission author victor l davis presents the first comprehensive guide specifically addressed to the needs of the usher the traditional approach to ushering focused on the task of meeting seating and greeting worshippers the typical training manual addressed techniques ushers should use in carrying out those duties davis s ushering with a mission goes a step further and emphasizes the importance of disciplining the individual usher ushering is viewed as a ministry rather than a committee or board activity the ministry of ushering is approached from a christ centered biblical perspective ushering is not something we simply do because it s our sunday to usher we do it because it is a lifestyle resulting from the overflow of the spirit filled life ushering with a mission stresses the importance of bible study prayer and personal evangelism with nonbelievers ushers will find fellowship with other believers in the body of christ as they explore ways to fulfill the great commission and commandment of our lord and savior jesus christ

i started writing this book in 1994 that was the year the lord graciously commissioned me to raise for him quality leaders i started with ministers and pastors workshop training for ushers was the second assignment i handled among the three fold mandates the lord gave me in 1994 but no book was written by me back then neither did i come across any specialized book on ushers greeters and protocols in one volume 20 years ago i have been privileged to conduct training courses across the length and breadth of nigeria on ushering ministry for 20 years i have interacted with over 400 churches from over 280 denominations in conferences and seminars but i never wrote a book on this topic our outfit christian leadership skills have been involved in mass training for ushers in churches that counted 120 000 on sundays with ushers workforce of about 4 000 i have written 36 books todate but none on ushers protocol and greeters until now a particular mega church invited us to deliver training for ushers and crowd controllers twice within three months in their headquarters church their invitation came a bit late i could not be there physically i didn t have a book on ushers or crowd control only a manual churches get confused on the role of ushers as different from protocol officers i have witnessed ushers and protocols fight for territories in churches a particular church head usher insists that he must stay side by side with the protocol officer by the altar very close to the anointed there was no book to show

where each belong a particular ministry scrapped the word ushers from the list of ministries the general overseer banned the entire ushers from officiating in the length and breadth of the church his reason brethren have the holy spirit to direct them no need for ushers and the church went on smoothly thereafter i had no book to give to the man of god no book i could give until 20 years later who are ushers who are protocol officers who are greeters who are traffic controllers i didn't write any book to explain i only explain during workshop session now the explanation has become handy

what is an usher he is the can do will do go to guy for his pastor during the services at his church he sets aside his personal desires to serve his pastor the congregation and the guests in attendance he is the smile and extended hand of welcome as you enter the doors to his church he's the guy ready with the answers to your questions or he knows where to get the answers the professional manner in which he conducts himself creates a smooth and seamless worship experience for all those in his building he's the watchman at the gate keeping an eye out for dangers he has a plan for when unforeseen circumstances arise he is prepared to act decisively when called upon he's the man who will show you to your seat and is entrusted to take up the offering the decision to write this booklet came from the careful study of the somewhat antiquated handout i have been giving my new ushers to read when they begin their role as an usher at our church i ordered several more books on the subject to search for a book that embodied everything i wanted to instill in my team of ushers but my search came up lacking while these handouts and books were great literature they did not quite offer the depth that i was looking to give to my ushers through this search i found some to be more ritual than helpful while others were very heavy on the theology of ushering and church boards but less practical i wanted something practical and more to the point of how to deal with everyday circumstances in the role of an usher i wanted to find a book that speaks more directly to the reader since my search result came up empty i decided to write one myself i approach this subject from over twenty years of ushering experience and thirteen years as a head usher i also draw from my twenty five years of working in industrial construction as what is called a millwright and for a time as an ironworker during most of my time working in construction i was the foreman on the job years later i would take from these experiences and apply them in my role being the head usher of my church after more than twenty years of being involved with various ministries in my church all the while being a greeter and an usher i can tell you that in my opinion and experience being a greeter or being an usher is one of the most important ministries you can take part in at your church being an usher

and or a greeter is very rewarding and brings a substantial amount of joy if you approach it the right way it can also be frustrating heartbreaking and at times very intense i have been the head usher in my church since 2007 i m in charge of ushering greeting and security i get to see many aspects of the ministry from various perspectives and i will touch on all three areas in this book my life verse is psalms 84 10 it reminds me every day of where i want to be in my life and why i do what i do for a day in thy courts is better than a thousand i had rather be a doorkeeper in the house of my god than to dwell in the tents of wickedness psalms 84 10 kjv
