an international bestseller which has sold over a million copies in the uk dreams from my father is a refreshing revealing portrait of a young man asking big questions about identity and belonging the son of a black african father and a white american mother barack obama recounts an emotional odyssey retracing the migration of his mother s family from kansas to hawai i then to his childhood home in indonesia finally he travels to kenya where he confronts the bitter truth of his father s life and at last reconciles his divided inheritance written nearly fifteen years before becoming president dreams from my father is an unforgettable read it illuminates not only obama s journey but also our universal desire to understand our history and what makes us who we are

barack obama for beginners an essential guide is the most concise and reliable short biography available on the 44th president of the united states from his childhood in hawaii and indonesia education at columbia and harvard work as a community organizer writer teacher lawyer and politician in illinois to his historic campaign for president barack obama for beginners keeps the focus on the man and his record accomplishments and missteps praise and criticism to allow readers to gain a balanced understanding of president obama as they follow his rise to the white house entertaining illustrations enliven the reading experience and highlight important details

the election of barack obama to the presidency in 2008 was hailed by many as a historic event and by some as the end of the reagan era in american politics but conservatives have condemned obama from the beginning of his presidency and many progressives charge that obama has betrayed the causes that he espoused in 2008 this book offers a brilliant critique of obama s presidency and a powerful case that progressives should not give up on obama gary dorrien described by princeton philosopher cornel west as the preeminent social ethicist in north america today argues that obama is a figure of protean irony and complexity obama has been a bitter disappointment in many ways dorrien contends yet obama also has historic achievements to his credit that are too often discounted dorrien emphasizes the importance of obama s story to his career and devotes chapters to the economic crisis the health care reform debate war and foreign policy banking regulation and the federal budget and the case for a progressive politics of the common good ultimately dorrien says the obama question is whether or not obama s presidency will mark the end of the reagan era when giant corporations and the wealthy got whatever they wanted military budgets soared and american politics was ruled by the fantasy of tax cuts paying for themselves dorrien argues that there is still time to redeem the hope of the 2008 election bringing an end to the reagan era the obama question will stand as an insightful evaluation of a tumultuous presidency long after the next election has passed

this text offers a critique of barack obama s presidency and a powerful case that progressives should not give up on obama obama has been a bitter disappointment in many ways dorrien contends yet he also has historic achievements to his credit that are too often discounted

critics of president obama have attacked him as a socialist an african american radical a big government liberal but somehow the critics have failed to reveal what s truly driving barack obama now bestselling author dinesh d souza throws out these misplaced attacks in his new book the roots of obama s rage the reason explains d souza that obama appears to be working to

destroy america from within is found as obama himself admits in the dreams of his father a deeply hostile anti colonialism instilled in him by his father this worldview has led president obama to resent america and everything for which we stand viewing obama through this anti colonialism prism and drawing evidence from president obama s own life and writings d souza masterfully shows how obama is working to weaken and punish america here and abroad

now in paperback this young adult adaptation of the 1 new york times bestselling memoir offers an intimate look at barack obama s youth and self discovery which led him to a life of purpose and service this compelling journey traces the 44th president s odyssey through family race and identity a revealing portrait of a young black man asking questions about himself and where he belongs long before he became one of the most important voices in america this unique edition includes an introduction from the author a full color photo insert and a family tree in this lyrical unsentimental and compelling memoir the son of a black african father and a white american mother searches for a workable meaning to his life as a black american when barack obama learns that his father a figure he knows more as a myth than as a man has been killed in a car accident the sudden death inspires an emotional odyssey the journey begins in a small town in kansas from which he retraces the migration of his mother s family to hawaii and then moves to kenya where he meets the african side of his family confronts the bitter truth of his father s life and at last reconciles his divided inheritance

this book describes the life and political career of barack obama who serves as a senator from illinois and who has been besieged by people urging him onward and upward ever since his keynote address at the democratic convention in 2004

an unparalleled chronicle of the making of an american president evan osnos winner of the national book award for age of ambition and staff writer at the new yorker barack obama is arguably the most dynamic political figure to grace the american stage since john f kennedy his meteoric rise from promise to power has stunned even the cynics and inspired a legion of devout followers for anyone who wants to know more about the man david mendell s obama is essential reading mendell who covered obama for the chicago tribune had far reaching access to the chicago politician as obama climbed the ladder to the white house positioning obama as the savior of a fumbling democratic party mendell reveals how obama conquered illinois politics and paved the way for a galvanizing historic presidential run with a new afterword by the author which includes a fresh perspective on barack obama following his two historic terms as the first african american president and with exclusive interviews with family members and top advisers and details on obama s voting record david mendell offers a complete complex and revealing

portrait a nuanced compelling look at a man of idealism and ambition intent on making history booklist starred review the single best source of background information on the 44th president national review mendell s fine book provides the historical backdrop for how obama got to the starting line of that 2008 campaign dan balz chief correspondent at the washington post for anyone who wants to know the real story behind barack obama s historic rise to national political stardom clarence page 1989 pulitzer prize winning columnist for the chicago tribune
