by turns impassioned and irreverent the beatles by ear is a collection of essays on each beatles album song chord key change and songwriting technique song fragments like those of the abbey road medley and sgt pepper are examined first as individual songs and then as larger suites the essays focus on fresh musical insights and avoid the backstories and anecdotes about each song the standard talking points that are common knowledge among even the most casual beatles fans the beatles by ear is written for musically inclined readers who like the beatles have never learned to read or write music but can play a few chords and are drawn to understand the creative processes behind the popular song a central premise of the book is that the beatles lack of formal training helped rather than hindered the expression of their natural talent whenever possible theoretical terms and concepts are limited to those used by the beatles themselves in the interview quotations sprinkled liberally throughout the book the reader is expected to know two things the names of the 12 notes shown in the book with letter names how to play simple chords in the key of c on keyboard or guitar for those who don't know the names of notes and chords a series of detailed tutorials is included in one of the appendices hundreds of page number references enable the book to be read from cover to cover or used as a reference book for isolated studies of individual songs or composing techniques in addition to the main chronological survey of albums and singles there are separate sections for each chord the beatles used each key change vocal harmonies melodic basslines riffs the five rhythm tricks the beatles used to manipulate the forms of their songs beatles resources a survey of the best books films podcasts websites and youtube channels used by the author in the process of researching the book the beatles canon is contextualized against a backdrop of predecessors classical music jazz blues rock n roll and r b contemporaries brian wilson bob dylan holland dozier holland burt bacharach carole king and the motown and stax house bands

set in america during the vietnam war across the universe is a powerful love story set against a backdrop of political and social unrest it's a story of soul searching self doubt and individual powerlessness cleverly conveyed through a multitude of beatles songs like young adults all across america during the 1960's jude jim sturgess lucy evan rachel wood max joe anderson sadie dana fuchs prudence t v carpio and jojo martin luther are in turmoil over the war questioning their individual roles in the war effort and struggling to find a way to hold true to their beliefs while making a

difference in the world while love proves a powerful uniting force its limitations become clear as relationships are strained and broken over individual perceptions of responsibility to cause and country a fairly bizarre juxtaposition of extremely stylized almost hallucinogenic scenes of swirling colors and reflections highly choreographed dance segments seemingly commonplace character interaction and emotionally packed close up footage of characters lost in contemplative song this film imparts a good sense of the confusion and passion of the time and is at once powerful invigorating and disturbing the film runs a bit long at 2 hours 11 minutes and several segments drag noticeably thanks to some incredibly slow song tempos warning this production may change how you think about a favorite beatles song forever

guitar solo this new edition features fantastic jazz style chord melody arrangements of 23 beatles classics including all my loving blackbird can t buy me love eleanor rigby hey jude in my life let it be michelle nowhere man something strawberry fields forever ticket to ride yesterday and more
