if you love bridgerton you ll love georgette heyer the greatest writer who ever lived antonia fraser utterly delightful the guardian absolutely delicious tales of regency heroes utter immersive escapism sophie kinsella one of my perennial comfort authors heyer s books are as incisively witty and quietly subversive as any of jane austen s joanne harris i ve read her over and over and over again stephen fry wonderful characters rapturously romantic katie fforde serena carlow s former love now controls her future happiness after her father s unexpected death serena s jilted ex fiancé the marquis of rotherham is made the sole trustee of her wealth and marriage prospects eager for an escape she moves to bath and encounters her childhood sweetheart the dashing hector kirkby but will rotherham approve the match before long they are all entangled in a confusion of marriage and manners the likes of which regency bath has rarely seen readers love bath tangle it was sheer entertainment from beginning to end and i embarrassingly laughed out loud several times i laughed through the entire story if you are truly a fan of heyer s bath tangle is definitely a must read it is up there as a favourite highly recommended to fans of both heyer and austen so much fun i m so glad i have just about her entire collection to look forward to reading

an english novel of manners set in the city of bath during regency times

despite the prejudices of critics popular romance fiction remains a complex dynamic genre it consistently maintains the largest market share in the american publishing industry even as it welcomes new subgenres like queer and bdsm romance digital publishing originated in erotic romance and savvy online communities have exploded myths about the genre s readership romance scholarship now reflects this diversity transformed by interdisciplinary scrutiny new critical approaches and an unprecedented international dialogue between authors scholars and fans these eighteen essays investigate individual romance novels authors and websites rethink the genre s history and explore its interplay of convention and originality by offering new twists in enduring debates this collection inspires further inquiry into the emerging field of popular romance studies

the nonesuch is the name of one of georgette heyer s most famous novels it means a person or thing without equal and georgette heyer is certainly that her historical works inspire a fiercely loyal international readership and are championed by literary figures such as a s byatt and stephen fry georgette heyer history and historical fiction brings together an eclectic range of chapters from scholars all over the world to explore the contexts of heyer s career divided into four parts gender genre sources and circulation and reception the volume draws on scholarship on heyer and her contemporaries to show how her work sits in a chain of influence and why it remains pertinent to current conversations on books and publishing in the twenty first century heyer s impact on science fiction is accounted for as are the milieu she was writing in the many subsequent works that owe heyer s writing a debt and new methods for analysing these enduring books from the gothic to data science there is something for everyone in this volume a celebration of heyer s nonesuch status amongst historical novelists proving that she and her contemporary women writers deserve to be read and studied as more than just guilty pleasures

this collection of twelve new essays examines some of what jane austen has become in the two hundred years since her death some of the chapters explore adaptations or repurposings of her work while others trace her influence on a surprising variety of different kinds of writing sometimes even when there is no announced or obvious debt to her in so doing they also inevitably shed light on austen herself austen is often considered romantic and not often considered political but both those perceptions are challenged her as is the idea that she is primarily a writer for and about women her books are comic and ironic but they have been reworked and drawn upon in very different genres and styles collectively these essays testify to the extraordinary versatility and resonance of austen s books

the first book length study of romance novels to focus on issues of sexuality rather than gender historical romance fiction moves the ongoing debate about the value and appeal of heterosexual romance onto new ground testing the claims of cutting edge critical theorists on everything from popular classics by georgette heyer to recent bodice rippers to historical fiction by john fowles and a s byatt beginning with her nomination of i love you as the romance novel s defining speech act lisa

fletcher engages closely with speech act theory and recent studies of performativity the range of texts serves to illustrate fletcher s definition of historical romance as a fictional mode dependent on the force and familiarity of the speech act i love you and permits fletcher to provide a detailed account of the genre s history and development in both its popular and literary manifestations written from a feminist and anti homophobic perspective fletcher s subtle arguments about the romantic speech act serve to demonstrate the genre s dependence on repetition romance can only quote and the shaky ground on which the romance s heterosexual premise rests her exploration of the subgenre of cross dressing novels is especially revealing in this regard with its deft mix of theoretical arguments and suggestive close readings fletcher s book will appeal to specialists in genre speech act and performativity theory and gender studies

includes beginning sept 15 1954 and on the 15th of each month sept may a special section school library journal issn 0000 0035 called junior libraries 1954 may 1961 also issued separately

if you love georgette heyer the queen of regency romance this is a must read the definitive guide to the sparkling world of georgette heyer s celebrated novels which are currently being reissued a bestselling novelist since 1921 georgette heyer is known across the world for her historical romances set in regency england millions of readers love the outrageous lifestyle fashion and capricious escapades of the elegant bon ton and no one has captured that world better than georgette heyer with universally beloved novels such as regency buck the grand sophy and friday s child georgette heyer s regency world is the ultimate definitive guide to georgette heyer s wonderful and enchanting realm her heroines her villains and dashing heroes the shops clubs and towns they frequented the parties and seasons they celebrated how they ate drank dressed socialized shopped and drove an utterly delightful and fun read beautifully illustrated and compelling in its historical detail this is a must have for any georgette heyer fan
