he was forbidden i knew it he was never mine to have he belonged to someone
else his heart wasn't free to give still i craved him i begged him for it his love was
addictive our time was never enough he shattered my world like i'd shattered
everyone else's it was all fun and games before i didn't think about what would

happen after

growing up poor on the rough side of indiana didn't make my life easy it made it hard my mom worked two jobs and didn't have time to read me many fairy tales we couldn't afford the princess costumes or the trips to expensive magic kingdoms my life was black and white and a hint of grey was the most i had to look forward to until i met zachary rostov tall beautiful with a perfect smile unfortunately as with most stories ours had to come to an end when i turned nineteen after escaping the soul sucking pit of indiana one bad decision almost destroyed everything the way my story had been written up to that point meant my dreams of more should have come to an end but it was the same day i met vincent jamison and if my life were a fairy tale he would have been the prince who had come to save me i don't remember in any of those stories being saved coming with a debt

our history made things harder we were associates out of convenience we tolerated each other i never saw her that way she never saw me that way she and i were never meant to be friends you're not supposed to fall for your best friend's enemy even if the enemy is your ex best friend this isn't the story of falling in love with your best friend it's about falling out of hate

read this steamy small town series by romance author harper sky for fans of romance authors melanie harlow natasha madison and corinne micheals silver point wasn't a place i ever wanted to come home to but what starts as helping a friend turns into so much more i might have grown up in silver point but la is my home now i've made a career for myself there a life and coming back to the small town i was raised in has never been on my radar but when my best friend needs my help everything changes she's the closest thing i've ever had to a sister and she needs me that's the only reason i'm staying until she's well and not a minute longer nothing is going to change that certainly not the boy i once had a crush on who grew up to be one of silver point's firefighters and somehow still every bit the jerk that i remember or is he i want to keep as far away from him as possible but silver point is a small town and one thing after another keeps bringing us closer

together it s easy to get caught up in what could have been what could still be if i changed my mind until i discover that the boy i knew has a secret one that i m not sure i can forgive this town could be what brings us back together or it could be what drives us apart forever

the conclusion to the if i break series cal s back and his arrival changes everything lauren knew it was coming but what she didn t think he d bring with him was an ultimatum a choice one that lauren feels trapped under a choice she s unsure will make a difference but could possibly change everything the ultimatum isn t the only thing cal s got with him but answers the ones lauren so desperately craves but the truth won t only affect the lives of he and lauren but everyone around them and not everyone wants the truth to come out the good thing is cal doesn t give a f there s two sides to every story in this one there s three
