antimodernism a popular movement growing out of fear and hostility toward an emerging new world became a central ideological trend in late nineteenth century europe shulamit volkov explains its development in germany by providing a biography of one group the urban master artisans whose political attitudes came to be dominated by antimodernist feelings as small independently employed practitioners of traditional crafts the master artisans possessed a special social identity the author focuses on their character as a group their public behavior and the formation of their ideas and political allegiance she contends that between 1873 and 1898 a period often called the great depression this group underwent a crucial change in attitude reflecting a growing sense of social isolation and political homelessness to understand the complexities of their outlook shulamit volkov considers changes in their economic and social position during industrialization and the great depression comparing the german experience with that of england her analysis of economic social cultural and political history uncovers the forces that led to the emergence of popular antimodernism and helped attract part of the german populace to prefascist ideas originally published in 1978 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of princeton university press these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the princeton legacy library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by princeton university press since its founding in 1905

if flexible exchange rates are not adopted central banks should at least avoid the widespread practice of trying to sterilise the monetary effects of capital flows the author argues that the implementation of this plan will be a far more effective way of enhancing financial stability than controlling international capital flows or trying to force private lenders to make new loans to countries that suffer crises book jacket

thomas sterner s book is an attempt to encourage more widespread and careful use of

economic policy instruments the book compares the accumulated experiences of the use of economic policy instruments in the u s and europe as well as in rich and poor countries in asia africa and latin america ambitious in scope it discusses the design of instruments that can be employed in any country in a wide range of contexts including transportation industrial pollution water pricing waste fisheries forests and agriculture while deeply rooted in economics policy instruments for environmental and natural resource management is informed by political legal ecological and psychological research the new edition enhances what has already been widely hailed as a highly innovative work the book includes greatly expanded coverage of climate change covering aspects related to policy design international equity and discounting voluntary carbon markets permit trading in united states and the clean development mechanism focusing ever more on leading ideas in both theory and policy the new edition brings experimental economics into the main of its discussions it features expanded coverage of the monitoring and enforcement of environmental policy technological change the choice of policy instruments under imperfect competition and subjects such as corporate social responsibility bio fuels payments for ecosystem services and redd the open access version of this book available at taylorfrancis.com has been made available under a creative commons attribution non commercial sharealike cc by nc sa 4 0 license

includes university catalogues president s report financial report etc

this volume documents the first ten years of economic transition in central and eastern europe it examines economic growth stabilisation policies and the reformation of social safety nets in the formerly communist countries
