The devotion's sole purpose is leading individuals into a deeper, intimate relationship with Christ. Every devotion is geared to inspire, encourage, and motivate the reader to take a deeper look at the individual in the mirror and examine their relationship with Christ. Develop a sense of safety and connection. In our youth research shows that a sense of belonging has a profound effect on the physical, mental, and social well-being of children and adolescents. Yet current events, including the decline of community and rising tensions over racial and economic inequalities, have endangered that fragile and critical component. And nowhere is this felt more acutely than in schools. In *Belonging*, the author who has spent decades working with the most challenging students provides research-based strategies to strengthen relationships, build inclusive classrooms, develop trust, and foster a sense of psychological safety. Readers will find vignettes demonstrating how belonging applies to a variety of learning contexts. Research around mindsets, the development of empathy, and community building sections dedicated to equity and inclusion strategies teachers can directly apply in their classrooms. With his deep knowledge of education, behavior, and neuroscience, Dustin Bindreiff provides a fresh look at the troubling issues our students face and provides practical strategies for building a more hopeful future.
