with large easy to read text and color photos beginning readers will learn about tiger cubs and what their lives are like at the zoo including how they play what they eat and how they communicate with each other an illustrated words to know section at the beginning of the book prepares readers to understand the vocabulary they will encounter in the text

engendered death pennsylvania women who kill is an historical and interdisciplinary study of women who kill in pennsylvania from the 18th century to the present it is not an examination of what motivates women to kill although the reader may deduce that from the case studies included instead it is an examination of how society perceives women who kill and how the gender lens is applied to them throughout the legal process in the media and in the

courtroom what makes this work particularly unique is its combination of both scholarly analysis and narrative case studies as such it will appeal to both the scholar and the reader of true crime non fiction if we are to recognize the complex variables at play in all criminal offenses we will need to understand that the laws of a community its social values its politics economics and even geography play a factor in what laws are enforced and against whom they are enforced the decision to define and label certain behaviors and certain people was based on social political and economic considerations of each community thus the commission of murder by a woman in arizona may have a variety of factors associated with it that are not present in the case of a woman who murdered her husband in maine this study in part because of the volume of cases and in part to limit the variables affecting the cases has limited its scope of women killers to the state of pennsylvania pennsylvania is the ideal state to study because of its long and stable legal and political traditions its historically diverse population and the large number of newspapers that will help us gauge the public s view of women and women who kill by limiting our scope to one state we know that the legal definitions are fairly consistent for all of the women during a certain period and we can more easily identify the shifts in social values regarding women and homicide

it always seems like tigers at the zoo are sleeping lazily in the sun what else do they do with their day or night young readers catch a glimpse of tiger life at the zoo right inside their habitat from what tigers eat to where they sleep the information in this book will delight readers and help them prepare for their next trip to the zoo including language and topics appropriate for pre k the main content is achievable for beginning readers and has close correlation to full color photographs of tigers at the zoo

harper s magazine made its debut in june 1850 the brainchild of the prominent new york book publishing firm harper brothers harper s magazine the oldest general interest monthly in america explores the issues that drive our national conversation through long form narrative journalism and essays and such celebrated features as the iconic harper s index with its emphasis on fine writing and original thought harper s provides readers with a unique perspective on politics society the environment and culture
