in 1984 italian foreign minister giulio andreotti aptly summarized popular perception of the divided nationality of the two germanys east and west there are two german states and two they shall remain few would have disagreed by the 1980s both german states had come to occupy respected niches in the international community still neither

this book emerged out of research done during the period between 2004 and 2016 on the topic of mobile and wearable computing it did not solely focus on technical solutions and the search for a general approach but also on the question how people can live with this technology thus social and organizational aspects were also part of the research the findings demonstrate the opportunities of serious games and reveal the need of clinical

studies when targeting at solutions that are to become part of any kind of therapy the result is a comprehensive presentation of research findings covering different important aspects in the domain of wearable and pervasive computing for a better life

how can leo strauss s critique of modernity and his return to tradition especially maimonides help us to save democracy from its inner dangers in this book corine pelluchon examines strauss s provocative claim that the conception of man and reason in the thought of the enlightenment is self destructive and leads to a new tyranny writing in a direct and lucid style pelluchon avoids the polemics that have characterized recent debates concerning the links between strauss and neoconservatives particularly concerns over strauss s relation to the extreme right in germany instead she aims to demystify the origins of strauss s thought and present his relationship to german and jewish thought in the early twentieth century in a manner accessible not just to the small circles devoted to the study of strauss but to a larger public strauss s critique of modernity is she argues constructive he neither condemns modernity as a whole nor does he desire a retreat back to the ancients where slaves existed and women were not considered citizens the question is to know whether we can learn something from the ancients and from maimonides and not merely about them
