Jon D. Levinson capably guides the reader through the many facets of the story of Esther included is an extended discussion of the textual history of the book and why it is that Protestants and Jews read a shorter version of the Esther than do Catholics

The author asserts that the book of Esther is relevant to the status of the nation of Israel today

Well known for his work in ancient Near Eastern languages and literature, Sasson emphasizes in this revised edition of his commentary on Ruth various philological matters: problems of translation, idiom, and grammar, all with strong linguistic insights. The author also treats literary features and provides admirably compact and accurate synopses of scholarly debates while often charting his own course for folkloristic interpretation. Sasson concentrates on formal aspects of the text to identify the genre of Ruth and then systematically surveys narrative features: provenance, date, and purpose of writing. There is a large bibliography and indexes of biblical citations, authors, and subjects. For this second corrected edition, the author has written a new preface outlining developments in Ruth studies since

1979

the new and impressively comprehensive Brill Dictionary of Religion addresses religion as an element of daily life and public discourse richly illustrated and with more than 500 entries the dictionary is a multi-media reference source on the many and various forms of religious commitment it is unusual in that it not only addresses the different theologies and doctrinal declarations of the official institutionalized religions but it also gives equal weight and consideration to a multiplicity of other religious phenomena people perceive and express religious experiences in many different ways through dance sensuality in relations between sexes and in compassion at death religions help determine how people form and perceive their identity as part of a social group the diverse effects of religions can also be perceived in the environment society and the public sphere the Brill Dictionary of Religion helps map out and define the networks and connections created by various religions in contemporary societies and provides models for understanding these complex phenomena

repurposed content from the 12-volume Nib to serve as introductory academic textbooks

an encyclopedia designed especially to meet the needs of elementary junior high and senior high school students
