the popular pearls series of clinical case presentations is ideally suited for psychiatry for each patient the author presents the patient problem the history of the present illness past psychiatric history mental status exam and results of diagnostic testing the reader is then invited to formulate a diagnosis and a treatment plan the next page reveals the diagnosis discusses the condition and returns to a discussion of the patient and clinical outcome each chapter concludes with 3-4 pearls of practice distilled from the case pearls books feature real patient cases providing information not found in standard texts each case follows the same format for clarity and ease of presentation provides information about the specific patient as well overall information on each disorder discussed the text is interactive as the reader is asked to make a diagnosis based on the case information presented illustrations are provided for most of the cases three or four pearls of

practice are distilled for each case

alcohol abuse and alcoholism represents one of the major health social and economic issues facing not only america but much of the world problems with alcohol appear to be a common curse afflicting almost all industrialized nations as well as the developing countries in the united states today at least 10 million people suffer the misuse it is estimated that 205 000 individuals die prematurely each year from a variety of ethanol induced factors including cirrhosis cancer heart disease suicide homi cide and highway fatalities and other accidents in purely economic terms the alcohol related cost to our society in 1975 is estimated at nearly 43 billion in lost production medical expenses motor vehicle accidents fire losses and the maintenance of social mechanisms to deal with these problems but the economic impact pales in comparision with the psychological pain and anguish brought to alcoholics and their family and friends the disease of alcoholism bears a close relation to the topic of our dedication for it is equally insidious and sadistic it destroys humanity and rational thought and it brings terror pain and death
