suspended above us with intricate patterns and flamboyant colours the neon signs of hong kong easily guide us to local businesses chinese restaurants bars and department stores apart from marketing and advertising these neon signs actually convey much more and mean much more to those who view the signs as a part of their home this book documents hong kong s neon signs whilst taking on a historical socio cultural and contextual study of visual culture around the city it explores the inter related components of neon signs including each sign s unique visual aesthetic and design the history of craftsmanship and training and how the streetscape relates to hong kong s consumer culture with an underlying theme of photographic conservation and an array of vibrant images the author brings the everyday signage of hong kong to life

revolutionary stagecraft draws on a rich corpus of literary historical and technical materials to reveal a deep entanglement among technological modernization political agendas and the performing arts in modern china this unique approach to chinese theater history combines a close look at plays themselves performance practices technical theater details and behind the scenes debates over how to make theater amid the political upheavals of china s 20th century the book begins at a pivotal moment in the 1920s when chinese theater artists began to import use and write about modern stage equipment and ends in the 1980s when china s scientific and technological boom began by examining iconic plays and performances from the perspective of the stage technologies involved tarryn li min chun provides a fresh perspective on their composition and staging the chapters include stories on the challenges of creating imitation neon rigging up a makeshift revolving stage and representing a nuclear bomb detonating onstage in thinking about theater through technicity the author mines well studied materials such as dramatic texts and performance reviews for hidden technical details and brings to light a number of previously untapped sources such as technical journals and manuals set design renderings lighting plots and prop schematics and stage technology how to guides for amateur thespians this approach focuses on material stage technologies situating these objects equally in relation to their technical potential their human use and the social political economic and cultural forces that influence them in each of its case studies revolutionary stagecraft reveals the complex and at times surprising ways in which chinese theater artists and technicians of the 20th century envisioned and enacted their own revolutions through the materiality of the theater apparatus

on the eve of the second world war the foreign controlled port of shanghai was the rendezvous for the twentieth century s most outlandish adventurers all under the watchful eye of the

illustrious sir victor sassoon emily mickey hahn arrived there at the height of the depression a legendary new yorker journalist hahn s vivid writing would play a crucial role in opening western eyes to the realities of life in china but on reaching shanghai hahn was nursing a broken heart after a disappointing affair with an alcoholic hollywood screenwriter she was convinced she would never love again checking in to sassoon s glittering cathay hotel hahn was absorbed into the social swirl of the expats drawn to pre war china among them ernest hemingway martha gellhorn harold acton and the colourful gangster morris two gun cohen but when she met zau sinmay a chinese poet from an illustrious family she discovered the real shanghai through his eyes the city of rich colonials triple agents opium smokers displaced chinese peasants and increasingly desperate white russian and jewish refugees a place her innate curiosity led her to explore first hand danger lurked on the horizon though as the brutal japanese occupation destroyed the seductive world of pre war shanghai paving the way for mao tse tung and the communists rise to power a compelling tale of fatal glamour and forbidden love shanghai grand is their story meticulously researched and vividly told

today in the post mao post deng era china faces a vigorous resurgence of paradoxes similar to those that surfaced at the end of the imperial era at the same time the pragmatism of the chinese people endures suggesting that the lessons of the past have broad implications for urban china and urban rural relations in china at the beginning of the third millennium book jacket

this text presents practical rules and strategies for circuits designed to protect electronic systems from damage by transient overvoltages the treatment covers symptoms and threats fundamental remedies types of protective devices applications of protective devices validation of protective measures and much more 1989 edition

without neon las vegas might still be a sleepy desert town in nevada and times square merely another busy intersection in new york city transformed by the installation of these brightly colored signs these destinations are now world famous representing the vibrant heart of popular culture but for some neon lighting represents the worst of commercialism energized by the conflicting love and hatred people have for neon flickering light explores its technological and intellectual history from the discovery of the noble gas in late nineteenth century london to its fading popularity today christoph ribbat follows writers artists and musicians from cultural critic theodor adorno british rock band the verve and artist tracey emin to vladimir nabokov langston hughes and american country singers through the neon cities in europe america and asia demonstrating how they turned these blinking lights and letters into metaphors of the modern era he examines how gifted craftsmen carefully sculpted neon advertisements introducing elegance to modern metropolises during neon s heyday between the wars followed by its subsequent popularity in las vegas during the 1950s and 60s ribbat ends with a melancholy discussion of neon s decline describing how these glowing signs and installations came to be seen as dated and characteristic of run down neighborhoods from elaborate neon lighting displays to neglected diner signs with unlit letters flickering light tells the engrossing story of how a glowing tube of gas took over the world and faded almost as quickly as it arrived
