profound insights into karl marx and sigmund freud from the prolific and  
eclectic social theorist and bestselling author of escape from freedom the  
washington post according to renowned psychoanalyst erich fromm three  
people shaped the essential character of the twentieth century albert einstein  
karl marx and sigmund freud while the first two figures had a great physical  
and political impact on the world fromm believes that freud had an even  
deeper impact because he changed how we think about ourselves beyond the  
chains of illusion is one of fromm s most autobiographical works as fromm not  
only comments on the ideas of freud and marx but also crystallizes his own

theories on social character and unconscious values the book brilliantly summarizes fromm s ideas on how culture and society shape our behavior this ebook features an illustrated biography of erich fromm including rare images and never before seen documents from the author s estate
