new york times bestseller the new yorker best books of 2022 financial times best books  
of 2022 the economist best books of 2022 the dramatic rise and unimaginable fall of  
america s most iconic corporation by new york times bestselling author and pre  
eminent financial journalist william d cohan no company embodied american ingenuity  
innovation and industrial power more spectacularly and more consistently than the  
general electric company ge once developed and manufactured many of the inventions  
we take for granted today nearly everything from the lightbulb to the jet engine ge also  
built a cult of financial and leadership success envied across the globe and became the

world's most valuable and most admired company but even at the height of its prestige and influence cracks were forming in its formidable foundation in a masterful re appraisal of a company that once claimed to bring good things to life pre eminent financial journalist william d cohan argues that the incredible story of ge's rise and fall is not only a paragon but also a prism through which we can better understand american capitalism beginning with its founding innovations and exponential growth through acquisitions and mergers cohan plumbs the depths of ge's storied management culture its pioneering doctrine of shareholder value and its seemingly hidden blind spots to reveal that ge wasn't immune from the hubris and avoidable mistakes suffered by many other corporations in power failure cohan punctures the myth of ge exploring in a rich narrative how a once great company wound up broken and in tatters a cautionary tale for the ages

the secret behind limitless leadership impact lack of mentorship and coaching is a leading reason for leader attrition in education but it doesn't have to be this way if it's true that everyone wins when the leader gets better then your community is counting on you to prioritize your own professional growth so that you get better in mastermind unlocking talent within every school leader daniel bauer highly sought after coach and mentor to thousands of school leaders introduces readers to a strategic advantage relied on by business leaders since the 1930s the mastermind is an exceptional pd model for leaders looking to level up and if this advantage worked for people like andrew carnegie henry ford and fdr what could it do for you and your school framed around the abcs of powerful professional developmenttm this book will provide school leaders with templates and tools for starting and running successful mastermind groups protocols to encourage collaboration dialogue and problem solving so school leaders can work together to overcome challenges stories of impact from education mastermind participants all over the world the question is what would you be able to accomplish within your school if you showed up this year as the leader you were meant to be

the hot seat is made from a series of drawings that focus on the impermanence of the physical things we perceive in our reality the destruction of these objects is motivated simultaneously by the primitive desire to see things destroyed the resentment of existence and our inability to control the effects of nature tim lahan is a graphic artist and illustrator based in the usa who splits his time between commercial work and personal projects that include everything from self publishing to painting his work has

been featured collected in many different places in print online and in the physical world including places like printed matter the new york public library and the moma library publisher s website viewed may 14 2018

using information derived from research and interviews with cab drivers vidich has written a basic work on new york city cab drivers hacks that also provides passengers fares with a survival manual cab drivers are quoted by newspaper columnists politicians and at dinner parties yet a hard look at the profession and its role in the transportation system of the city has been completely lacking vidich brings out in clear language the conflicts between the cab driver s position as a dispenser of a public service and his needs as a working person subjected to violence and pressure it is difficult to imagine a more enjoyable introduction to an industry whose members are a folk tradition at the same time this book provides insight into the history and sociology of an important urban institution it is a book about cab drivers everywhere and cab drivers and fares in all cities have a new handbook in this volume

a revealing account of the last fifty years of world affairs as seen by one of australia s most successful diplomats from communist moscow to the cuban missile crisis vietnam to the tragic events of september 11 2001 this book traces the evolution of a

living mindfully across the lifespan an intergenerational guide provides user friendly empirically supported information about and answers to some of the most frequently encountered questions and dilemmas of human living interactions and emotions with a mix of empirical data humor and personal insight each chapter introduces the reader to a significant topic or question including self worth anxiety depression relationships personal development loss and death along with exercises that clients and therapists can use in daily practice chapters feature personal stories and case studies interwoven throughout with the authors unique intergenerational perspectives compassionate engaging writing is balanced with a straightforward presentation of research data and practical strategies to help address issues via psychological behavioral contemplative and movement oriented exercises readers will learn how to look deeply at themselves and society and to apply what has been learned over decades of research and clinical experience to enrich their lives and the lives of others

introducing exceptional new literary voices from lebanon

exposure to violence adversely affects many children in american communities the support for students exposed to trauma sset program is a series of ten teacher or school counselor led lessons aimed at reducing distress for middle school students who have been exposed to a traumatic life event the program includes skill building techniques geared toward changing maladaptive thoughts and promoting positive behaviors
