the 20th anniversary edition of think on these things will be unveiled this fall to introduce the book as meditations for leaders to a new generation of maxwell readers a fresh new outlook may be in order for christians called to become leaders and achievers in all aspects of life maxwell s brief yet relevant meditations promise to inspire and encourage us to think in a changed optimistic way to think on these things

use this helpful book to learn about the leadership tools to fuel success grow your team and become the visionary you were meant to be true leadership isn t a matter of having a certain job or title in fact being chosen for a position is only the first of the five levels every effective leader achieves to become more than the boss people follow only because they are required to you have to master the ability to invest in people and inspire them to grow further in your role you must achieve results and build a team that produces you need to help people to develop their skills to become leaders in their own right and if you have the skill and dedication you can reach the pinnacle of leadership where experience will allow you to extend your influence beyond your immediate reach and time for the benefit of others the 5 levels of leadership are 1 position people follow because they have to 2 permission people follow because they want to 3 production people follow because of what you have done for the organization 4 people development people follow because of what you have done for them personally 5 pinnacle people follow because of who you are and what you represent through humor in depth insight and examples internationally recognized leadership expert john c maxwell describes each of these stages of leadership he shows you how to master each level and rise up to the next to become a more influential respected and successful leader

how you respond to failure makes all the difference are some people born to achieve anything they want while others struggle what is the real reason for their success john c maxwell has the answer the difference between average people and achieving people is their perception of and response to failure most people are never prepared to deal with failure bestselling author john c maxwell says that if you are like him you feared it misunderstood it and ran away from it however he has learned to make failure his friend and he can teach you to do the same maxwell takes a closer look at failure and reveals that the secret of moving beyond failure is to use it as a lesson and a stepping stone in failing forward maxwell will show you the key main reasons people fail how to master fear instead of being mastered by it and positive benefits can accompany negative experiences filled with action suggestions and real life stories failing forward is a strategic guide that will help you move beyond mistakes to fulfill your potential and achieve success discover how to confidently look the prospect of failure in the eye and move forward anyway in life the question is not if you will have problems but how you are going to deal with them stop failing backward and start failing forward

identifies five characteristics of leader managers explores different leadership styles and outlines principles for fostering integrity and self discipline while inspiring motivating and influencing others

challenging times will come but great leaders know how to lead their teams and emerge even stronger prepare yourself now using this helpful guide to personal and professional success great leaderships will face challenges markets will collapse pandemics will come people will always provide new and interesting ways to makes things difficult but leaders must achieve results and build a team that produces even when you are faced with difficult circumstances this all new book from john maxwell created using content from several of his previous bestselling titles is the ultimate guide to helping your team survive and even thrive when the unexpected happens maxwell helps leaders identify their team s main challenges take stock of their liabilities understand what they can control and use challenges as opportunities to rethink the way they do things he ultimately gives leaders the tools to grow their teams in the midst of difficult times through humor in depth insight and examples internationally recognized leadership expert john c maxwell reassures leaders that they can still lead well and help people develop the skills they need to become great leaders even when times are tough

1 new york times bestselling author john c maxwell s latest book will enhance the lives of leaders professionals and anyone who wants to achieve success and personal growth we often treat the word capacity as if it were a natural law of limitation unfortunately most of us are much more comfortable defining what we perceive as off limits rather than what s really possible could it be that many of us have failed to expand our potential because we have allowed what we perceive as capacity to define us what if our limits are not really our limits in his newest book john maxwell identifies 17 core capacities some of these are abilities we

all already possess such as energy creativity and leadership others are aspects of our lives controlled by our choices like our attitudes character and intentionality maxwell examines each of these capacities and provides clear and actionable advice on how you can increase your potential in each he will guide you on how to identify grow and apply your critical capacities once you ve blown the cap off your capacities you ll find yourself more successful and fulfilled in your daily life

most of us look at our days in the wrong way we exaggerate yesterday we overestimate tomorrow we underestimate today the truth is that the most important day you will ever experience is today today is the key to your success maxwell offers 12 decisions and disciplines he calls it his daily dozen that can be learned and mastered by any person to achieve success

in the right to lead best selling author and leadership thought leader john c maxwell guides you through a study in the character and courage of great leaders an internationally recognized leadership expert speaker and author john has sold more than 18 million books his organizations have trained more than two million leaders worldwide in the right to lead you ll read about people who have earned the right to lead others they display the key qualities that made them worthy of followers action vision sacrifice risk determination service and integrity the key to becoming an effective leader is not to focus on making other people follow but on making yourself the kind of person they want to follow you must become someone others can trust to take them where they want to go

elizabeth dole has mastered it if husband bob had done the same he might have become the forty third president of the united states it s called the law of connection

at the heart of john c maxwell s brilliant and inspiring book is a simple premise to do well in life we must first think well but can we actually learn new mental habits thinking for a change answers that with a resounding yes and shows how changing your thinking can indeed change your life drawing on the words and deeds of many of the world s greatest leaders and using interactive quizzes this empowering book helps you assess your thinking style guides you to new ones and step by step teaches you the secrets of big picture thinking seeing the world beyond your own needs and how that leads to great ideas focused thinking removing mental clutter and distractions to realize your full potential creative thinking stepping out of the box and making breakthroughs shared thinking working with others to compound results reflective thinking looking at the past to gain a better understanding of the future and much more here america s most trusted and admired motivational teacher examines the very foundation of success and self transformation illuminating and life changing thinking for a change is a unique primer not on what to think but how to best use one of your most precious possessions your mind
