the gathering hides between the lines of genesis 7 14aeur 15 it is the epic backstory of the animalaeur tm s journey to noahaeur tm s ark those familiar with the bible will find countless symbols themes and events drawn from scripture metaphorically portrayed throughout the story begins with a remnant the chosen among the species of the earth who are blessed with unique gifts for completing a perilous quest guided by their prophetic dreams these animals sense they are on the edge of a great precipice they heed a peculiar calling as they are drawn to a mysterious mountain not fully aware of why they are going there this story was written for parents to read to their children it can also be used for sunday school classes each chapter includes a colorful picture and commentary notes spanning a total of fifty two chapters there are 471 commentary notes in all referencing over 680 scriptures sunday school classes can cover one chapter per week as part of a one year devotional

inside the covers of this book you will find the real scriptures of the christian churches many church leaders know that other christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books it isn't in the canon of scripture formed of course by the early catholic church at various stages and councils from the fourth century a d therefore no one has the right to change what is in the canon of scripture and the catholic church changed it in their councils not in agreement of other christians but to hide their offence at the words of god they would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the catholic church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of scripture over many centuries they will not consider the canons of orthodox churches or others because they vary in different regions of the world so is european christianity based in the vatican city right about all its holy scriptures while everyone elses church scriptures are false scriptures ethiopia it seems got most books of scripture right even with their translation into an ancient language the real scriptures edited by james platter above a layman who formerly studied the scriptures for many years with the baptist bible fellowship in san dimas california in the united states but now rejects the reduced 1627 a d version of the kjv bible and formally learned the greek language of the new testament at capernwray missionary fellowship moss vale n s w australia under the reverend alan catchpoole in 1973

the assertion in this book included within the bpc series is that translation is as fundamental to biblical material as performance both in its history as well as in its research approaches translation in this sense is more than a transferal of meaning from one linguistic system to

another bible translation highlights innovative connections and conceptions to biblical texts in their promulgation reception and ever changing nature a predominant theory used throughout this book is social semiotic multimodality this communication theory informs an approach to translation that expands beyond words to other semiotic resources sign language embodied performance social media theater materiality and many other types of multimodal communications inform translation it is important to understand that the bible is a translated experience translation reflects the various ways in which the bible has been mediated and appropriated throughout history it follows therefore that bible translation as a global activity has been and continues to be influenced by the political and economic flows of history race class ethnicity gender sexual orientation and other elements of our social locations directly influence the enterprise and results of bible translation

contemplative reading is a spiritual practice developed by christian monks in sixth and seventh century mesopotamia the library of paradise tells the story of this syriac tradition in three phases its establishment as an ascetic practice the articulation of its theology and its maturation and spread

what if you had a guidebook that you could turn to at each stage of your academic journey to help you navigate through the process of getting a phd in biblical studies and succeeding in the academic world this book is precisely intended to fill that need from theory to practice you will find discussions and answers to the most pertinent and pressing questions that prospective and current doctoral students are faced with how do i choose a program how can i gain admission into an elite program how do i choose a research topic alongside the big questions about the process there are also a host of smaller matters how do i publish an article what conferences are out there in my field where do i start looking for a job how do i get teaching experience how do i write a syllabus this guidebook tackles all of these questions and many more in three parts prepare focuses on getting into a phd program succeed guides you through the doctoral program especially the writing of the dissertation and advance treats issues that relate to success in the academic world such as conference participation publishing employment and best practices in teaching praise for the first edition gupta has kindly provided me a book version of an academic mentor in a time when many professors are busy gupta walks the extra mile and makes himself present not only in person to those near him but also in writing for those like me i can t thank him enough natan b de carvalho college student dr gupta s book offered indispensable advice for me as i applied for phd programs completed my thesis and applied for and secured tenure track jobs i am grateful for his service to the guild madison n pierce assistant professor in new testament teds having started seminary about a year after the first edition appeared i was able to use gupta s abundance of clear headed advice to build a path to doctoral study i can see as a student in a first tier phd program that this journey would not have been possible had i not been able to learn the many unspoken rules gupta outlines in this invaluable book jonathan groce new testament phd student at emory university this book should be required for anyone even slightly interested in biblical higher education i ve enjoyed it so much that i ve bought it three times having given it away to two students ryan lytton director of academic services and adjunct professor at life pacific university virginia this book has proven immensely helpful as i navigated the phd application process providing useful benchmarks and invaluable suggestions gupta s sage advice prepared me for success benjamin castaneda phd student at the university of st andrews the world of academic biblical studies can be difficult to navigate especially for ethnic minorities this book has prepared me well by making an opaque process clear and straightforward i recommend it to anyone considering this path daniel k eng phd candidate university of cambridge i wanted to thank you for the invaluable guidance your book provided as i made decisions concerning

my academic future i have just completed my m a in classical studies at villanova and was accepted into graduate programs at both edinburgh and oxford every step of the way your text provided clear and specific recommendations it was a true blessing ken tully adjunct faculty at villanova prepare succeed advance is a tremendously helpful reference tool as an academic advisor i will make this the first resource i recommend to colleagues who may not have the advantage of personal experience in a phd program as a student i will regularly return to gupta s work for counsel on the next stage of academic life doctoral students should rejoice at having such a sure guide to academic success and commend gupta for his contribution samuel emadi review in jets 56 1 2013 139 141 140 141 this guide is indispensable to anyone thinking about a phd abram k j should i get a phd words on the word blog july 9 2012 nijay gupta s prepare succeed advance a guidebook for getting a phd in biblical studies and beyond is just that a guidebook it does not claim to provide a formula on how the entire process works at the same time it is more than that in the sense that gupta s honesty attention to detail and measured optimism throughout the entire book give his voice a level of credibility and warmth that prospective students will find invaluable as they begin their own individual paths toward academia michael suh phd emory review in rbl october 2014 prepare succeed advance has so many helpful points that my highlighter almost gave out if you have even the tiniest desire to pursue a phd in biblical studies get a few pencils two highlighters and a copy of this book you won t be sorry andrew kelley phd edinburgh when i started to investigate what a phd in biblical studies entailed i was lost what do schools look for what programs are better for what field so many questions and so little quality answers when i found dr gupta s book i found both a map and compass his book laid out the road ahead including avenues to avoid and boulevards to explore in more detail following dr gupta s candid advice i have received offers to study at a couple of uk phd programs i think i owe dr gupta some money buy this book you will not be disappointed joshua morris
