from distinctive portraits and complex photographic tableaux to youtube sensations the
work of prominent african photographer roger ballen is given a fresh perspective in this
volume for nearly half a century roger ballen has been shooting black and white film a
member of the last generation to work in that medium he started his career taking portraits
of rural afrikaaners in their homes and has lately been moving toward more staged sets and

embellishing his photographs with expressionistic graffiti type drawings this retrospective book follows the development of line and drawing in ballen s body of work which is often characterized by complex interior arrangements of people animals and furnishings in more recent work the artist has come out from behind the camera lens to engage with line more directly including a luminous series of photographs that began with drawing on glass psychologically edgy and seductively beautiful images result this volume also addresses the use of drawing and line in ballen s newest work in videography this astonishing collection reveals the breadth of ballen s work which moves fluidly between photography and drawing harshness and beauty raw expression and technical prowess
