harmony wilde is a unique kind of superhero she operates as eclipse in a small town in ohio instead of the big city on her own

instead of on a team and in near complete anonymity for the most part she is satisfied with using her ability manipulating light to bust drug dealers and prevent drunk drivers until conn parsons comes to town conn has been a superhero all over the world dissatisfied with the little bit of good she can do in comparison harmony asks conn to train her he refuses feeling responsible for superhero and civilian deaths in big city incidents he doesn't want to risk the same thing happening here but the attraction between them is hard to fight and so is her determination then small town problems get bigger and it looks like both eclipse and conn are being targeted by the citizens against superhero existence who are responsible for those city disasters when her town seems destined to become collateral damage and the stakes get personal harmony must tap undeveloped powers and convince conn to work with her to stop their mutual enemy the only problem is that when they succeed it may give conn the redemption he needs to move on away from pilton and away from harmony
