the genius is the gripping and definitive account of bill walsh s career and how he built a football dynasty from the rubble of a fallen franchise david harris gives a stellar account of the silver haired sophisticate from humble working class roots who was hired as head coach and general manager of the san francisco forty niners in january 1979 and became the architect of what is arguably the greatest ten year run in nfl history with unmatched access to players fellow coaches executives the reporters who covered the niners heyday and walsh himself harris recounts how walsh through tactical and organizational genius created a football juggernaut there were also the demons that pushed and haunted walsh throughout his career his clash with his former mentor paul brown who denied walsh his first pro head coaching job with the cincinnati bengals walsh s struggle with self doubt and criticism the toll his single minded devotion to football exacted on his family and his complex relationship with the forty niners owner edward debartolo jr walsh s pre niners coaching odyssey was arduous a longtime assistant coach he developed his legendary and now standard pass oriented west coast offense during stops at all levels of the game despite never having run a team s draft before walsh along with his right hand man john mcvay quickly built the foundation for a dynasty by drafting or trading for a durable core of stars including joe montana fred dean hacksaw reynolds dwight clark and ronnie lott walsh would later restock the team with such players as jerry rice steve young and charles haley the key to walsh s genius perhaps lay in his keen understanding of his athletes psyches he knew what brought out the best in each of them but the scope of walsh s impact on the game extended well beyond the field and locker room the forty niners life skills counseling program which walsh spearheaded with the sports sociologist and activist dr harry edwards and the internship program walsh devised to bring minority coaches into the game have since been adopted by the nfl for all league franchises in the annals of sport few individuals have had as great an impact on their game or on its relevance to life outside the lines as bill walsh with knowledge skill passion and a critical eye david harris reveals the brilliant man behind the coaching legend the vision bill walsh brought to all his pioneering efforts was a function of his perception of himself as someone who was far more than a football coach he cherished his standing and participation in the larger world outside the nfl and nurtured them at every opportunity knowing bill walsh was kind of like the blind man describing an elephant one of the sportswriters who covered him observed we all knew just one little piece of him but he had all these other areas we knew nothing about he dealt with lots of people outside of football outside of our scope entirely he was able to deal with politicians people who were intellects in other areas they were impressed by him from the genius

in a story that spans one fourth of america s history ken peery reveals what can be accomplished when a person learns to delight yourself in the lord ps 37 4 from the story of how his ancestors came to america to small town life in the midwest to naval service during world war ii to a distinguished career in law and christian mediation to political involvement to a miraculous medical recovery ken s story

is not only all american it is a compelling story of the benefits of delighting in the lord what is a methobapterian what is justice how do you define it can it be defined what would you do if you and your mate were seriously sunburned on your honeymoon re live trips through the gorges of the upper yangtze river ken peery was born in 1925 and raised and nurtured in emporia kansas after service in the us navy in wwii ken practiced law in emporia did a seven year stint as a lawyer in a government agency in washington dc and in 1962 re entered law practice in concordia kansas in 1982 he escaped from law practice to establish christian conciliation programs in the kansas city area and later in bentonville and rogers arkansas ken and doris his wife have been married 56 years they are the parents of two sons grandparents of six grandchildren and have two great grandsons the peerys live in topeka kansas

nfl coaching legend bill walsh offers his unique blueprint and conceptual insights for coaches at all levels of play among the topics covered in this comprehensive 560 page hardcover book are understanding the role of head coach strategies and tactics for dealing with a highly competitive adversary designing a winning game plan organising the staff the importance of being able to focus and concentrate evaluating players game day responsibilities and much much more

this is the ebook version of the printed book if the print book includes a cd rom this content is not included within the ebook version three super bowl rings attest walsh as the genius of modern professional football but the care he took with his people and the meticulous planning and preparation that made his game work just as well in businesses as in football bill walsh was never a businessman but business has much to learn from the brilliant head coach of the san francisco 49ers time after time walsh used meticulous planning and training to turn ordinary teams into giant kil

this book provides a comprehensive look at specifically what it takes to breakthrough your biggest challenges and live your biggest dreams it gives you the keys for you to make it happen by identifying the universal laws for business success once you know what they are you can put them into action to get the results you want bill walsh and power team international are dedicated to giving you the obvious tools and even the not so obvious ones to expedite your success he knows firsthand what it takes to overcome challenges and make your business and lifestyle dreams happen bill s vision is to provide mentoring opportunities for people like you who are ready for massive success

bill walsh was never a businessman but business has much to learn from the brilliant head coach of the san francisco 49ers time after

time walsh used meticulous planning and training to turn ordinary teams into giant killers ready and able to trounce more talented opponents resource description page

the shotgun formation the west coast offense the 4 3 defense we expect to see these things when we watch football but without tom landry and bill walsh it's possible we wouldn't see any of that this is the story of how two independent thinkers molded football in general and championship football in particular and they didn't just change the sport's xs and os they changed its style the story of their combined influence is unusual because neither man's ideas seriously affected the other's this story also is the tale of many football greats joe montana roger staubach jerry rice tony dorsett ronnie lott bob lilly roger craig ed too tall jones and numerous others what's more the story of these coaches is one of great opponents dan marino fran tarkenton don shula chuck noll mike ditka and lawrence taylor to name a few most of all this is the story of two icons landry the cerebral stoic impeccably dressed engineer and walsh the creative professorial somewhat sensitive artiste their greatest moments rank among football's seminal moments fittingly each coach's most famous play was a pass for landry it was the hail mary that beat the vikings in the 1975 playoffs and for walsh it was of course the catch which came at the expense of the landry cowboys these stories and many others comprise the larger narrative of how these men shaped the game we see today praise for tom landry and bill walsh from gady epstein staff writer the economist lawson knows more about those two coaches and their teams than any sane human being does or should trust me when i say john is an entertaining writer buy the book praise for tom landry and bill walsh from charles gay deputy managing editor the atlanta journal constitution tom landry and bill walsh is a feast for serious nfl fans tracing the game's dramatic evolution in a deeply intelligent and analytical style lawson layers his story with context and detail while never losing sight of the broader theme innovation the book manages to do all that while being a damned enjoyable read if you love pro football tom landry and bill walsh is a must for your reading list

the celebrated coach shares his philosophy of football profiles players he has coached recounts key moments in his career

spandel invites nine published authors into a discussion of what makes writing work

in the late 1970s no one in their right mind would have picked the san francisco 49ers to take home a championship the team which had experienced frequent leadership change in recent years was considered one of the worst in the league purchase this in depth summary to learn more
