peter brigg examines the life and work of british author j g ballard from his science fiction to his mainstream fiction starmont reader s guide 26

controversial science fiction writer j g ballard tells of his unorthodox upbringing in shanghai in the 1940 s ballard has achieved acclaim for works such as empire of the sun and controversy over crash which investigates the psychosexual significance of the car crash the book includes an article on ballard mythmaker of the 20th century by william s burroughs and chapter one of crash plus ballard s introduction to the french edition

the renowned science fiction writer selects the best and most representative of his short fiction revealing the variety of his projections of twentieth century technology in post atomic worlds

j g ballard is one of the most significant british writers of the contemporary period his award winning novels are widely studied and read yet the appeal of ballard s idiosyncratic and often controversial imagination is such that his work also enjoys something of a cult status with the reading public the hugely successful cinematic adaptations of empire of the sun spielberg 1987 and crash cronenberg 1996 further confirm ballard s unique place within the literary cultural and popular imaginations this guide includes new critical perspectives on ballard s major novels as well as his short stories and journalistic writing covering issues of form narrative and experimentation whilst offering fresh readings of dominant and recurring themes in ballard s writing including history sexuality violence consumer capitalism and urban space the contributors also explore ballard s contribution to major contemporary debates including those surrounding post 9 11 politics terrorism neo imperialism science morality and ethics

michel delville has produced in this volume the first book length study of j g ballard s literary output and commentaries on contemporary culture

this book offers a comprehensive account of the work of j g ballard regarded by critics as one of the most significant fiction writers of recent times

a futuristic cover comes with 3d glasses welcome to vermillion sands the fully automated desert resort ready to fulfil your most exotic whims home to the idle rich it now languishes in uneasy decay populated only by forgotten movie queens solitary impresarios and the remittance men of the artistic and literary world discover prima donna plants programmed to sing operatic arias dial a poem computers and psychosensitive houses capable of murder these quintessentially ballardian short stories of dystopian modernity are ballard s guess at what the future will actually be like

providing an extensive reassessment of dominant and recurring themes in ballard s writing including historical violence pornography post 9 11 politics and urban space this book also engages with ballard s late modernism his experimentation with style and form and his sustained interests in psychology and psychopathology

prophetic short stories and apocalyptic novels like the crystal world made j g ballard a foundational figure in the british new wave rejecting the science fiction of rockets and aliens he explored an inner space of humanity informed by psychiatry and biology and shaped by surrealism later in his career ballard s combustible plots and violent imagery spurred controversy even legal action while his autobiographical 1984 war novel empire of the sun brought him fame d

harlan wilson offers the first career spanning analysis of an author who helped steer sf in new if startling directions here was a writer committed to moral ambiguity one who drowned the world and erected a london high rise doomed to descend into savagery and coolly picked apart the characters trapped within each story wilson also examines ballard s methods his influence on cyberpunk and the ways his fiction operates within the sphere of our larger culture and within sf itself

an explosive and perceptive biography of the british novelist j g ballard to many people j g ballard will always be the schoolboy in steven spielberg s movie empire of the sun struggling to survive as an internee of the japanese during world war ii others remember him as the author of crash a meditation on the eroticism of the automobile and the car crash which also became a film and a cause celebre for its frank depiction of a fetish which as this book reveals was no literary conceit but a lifelong preoccupation in this first biography john baxter draws on an admiration of and acquaintance with ballard that began when they were writers for the same 1960s science fiction magazines with the help of the few people whom he admitted to his often hermit like existence it illuminates the troubled reality behind the urbane and amiable facade of a man who was proud to describe himself as psychopathic

the renowned science fiction writer selects the best and most representative of his short fiction revealing the variety of his projections of twentieth century technology in post atomic worlds

this is the first theoretically informed book on ballard reading his work not only within the science fiction genre but also connecting it to issues of popular culture and legitimisation postmodernism and the legacy of the avant garde aiming where necessary to contextualise ballard s fiction within the science fiction genre luckhurst s study also travels over many terrains more or less foreign to sf existentialism surrealism pop art psychoanalysis ethnologies of contemporary modernity and the theory of autobiography

an innovative volume of interdisciplinary essays on the significant british writer j g ballard 1930 2009 exploring the physical cultural and intertextual landscapes in several key novels with a central focus on the atrocity exhibition 1970 one of the most challenging texts in contemporary literature contributors include established critics of ballard alongside newcomers different spatial concepts underpin the essays from the landscapes of ballard s youth in shanghai and his life in suburban london to nuclear testing spaces and outer space exploration figurative locations typical of ballard s work are explored including the beach the motorway the high rise and the shopping mall textual spaces are explored through ballard s

affiliation with modernist literary forms including surrealist prose writing and collage and poetic romanticism

in the kindness of women a sequel to his award winning empire of the sun young james returns to england at the end of world war ii he stumbles through medical study at cambridge trains briefly as an raf pilot in canada and marries when his wife dies suddenly jim is thrust into the violence and sexual promiscuity of the sixties penetrating and wise j g ballard s biting social commentary and pushing of boundaries make this semi autobiographical novel a small classic

a startling and at times unsettlingly prescient collection of j g ballard s greatest interviews

a comprehensive volume on this supremely relevant writer now famous for the films empire of the sun and crash david cronenberg s dazzling x rated shocker illuminating the psychopathology of the automobile collision as a sexual act ballard s dystopian insights have permanently informed our perception of the perception of the postmodern media saturated landscape as the disaster area it is

making the case that j g ballard s fiction must be read within the framework of surrealism jeannette baxter argues for a radical revisioning of ballard that takes account of the political and ethical dimensions of his work a very different portrait of ballard emerges one that has implications for our understanding of post war history and culture the role of the reader and the function of the written text within a predominantly visual culture

introducing the jg ballard book an oversized collection of articles ideas interviews insights and a travelogue as well as uniquely featuring hi rez reproductions of over 60 pages of handwritten and typed letters from jg ballard himself the jg ballard book is 192 count em full colour large format pages of fun and fascinating insights into the seer of shepperton his life his work and his planar intersections the jg ballard book features contributions from some well known denizens of the ballardian universe toby litt suggests ballard s political ideology may be as inverted as his plots david pringle offers up his thoughtful 1984 interview jg ballard psychoanalyst of the electronic age michael bonsall cuts it open with jg ballard in the dissecting room michael holliday stitches together all the disconnected atrocity exhibition bits in desperate measures a history of the atrocity exhibition seminal ballard bibliographer james goddard contributes actual ballard documents from his extensive collection a total of 56 pages of ballard s handwritten text interview corrections lists and more from jgb s intense and experimental late 1960s and 1970s rick pynor paints a picture of how ballard has been treated by the visual media in what does jg ballard look like sam francis fresh from his acclaimed study the psychological fictions of jg ballard

amuses us with an unpublished 2005 ballard interview prof peter brigg clocks in with jg ballard time out of mind jordi costa the creative force behind the jgb exhibition in barcelona takes a big screen look with ballardoscope some attempts at approaching the writer as a visionary paul a green amazingly paints a pure ballard pastiche with the impossibility exhibition and rick mcgrath re imagines his 2007 journey to shanghai to visit the few remains of jg ballard s youth in the wicked city with original letters maps and drawings by ballard the book features original cover art by luca del baldo and 10 delicious photographs by ana barrado the jg ballard book is a large format full colour must have collection for any ballard fan
