bridging cultures in early care and education a training module is a resource designed to help pre service and in service early childhood educators including infant toddler caregivers understand the role of culture in their programs it is also intended for professionals who work with children and their families in a variety of other roles such as social workers special educators and early interventionists and for use in college courses focused on early childhood education and child development the module explains and illustrates how early childhood educators can use the organizing concepts of individualism and collectivism as a means of understanding cultural conflict and difference these concepts have been shown to be highly useful in improving home school understanding across cultures based on real life examples of cultural dilemmas in early care and education settings participants engage the concepts of individualism and collectivism to solve a variety of scenarios in a dynamic and engaging manner chapter 1 introduces the bridging cultures for early care and education approach provides a brief history and explains the training module it presents the conceptual framework of individualism and collectivism which is at the heart of the training chapter 2 provides the information needed for a two hour workshop including a script and notes to the facilitator the script is not meant to be read word for word rather it is offered as a guide based on a pilot tested approach appendices at the end of the book contain transparency masters for the overheads referenced in the script and masters for suggested handouts chapter 3 offers ideas for augmenting the basic two hour training by expanding it over a longer time period it also identifies additional diversity resources that can complement the bridging cultures training appendices providing additional information data and bibliographic resources are included this module originated as part of the bridging cultures project at wested a nonprofit research development and service agency working with education and other communities to promote excellence achieve equity and improve learning for children youth and adults

bridging cultures teacher education module is a professional development resource for teacher educators and staff developers to help preservice and in service teachers become knowledgeable about cultural differences and understand ways of bridging the expectations of school settings with those of the home in a nonthreatening cognitively

meaningful way the module is based on teacher constructed and tested strategies to improve home school communication and parent involvement these innovations were developed as part of the bridging cultures project which explores the cultural value differences between the individualistic orientation of mainstream u s schools and the collectivistic orientation of many immigrant families the goal of the bridging cultures project is to support and help teachers in their work with students and families from immigrant cultures the centerpiece of the module is training resources including an outline an agenda and a well tested three hour script designed as a lecture discussion with structured opportunities for guided dialogue and small group discussion throughout the script facilitators notes annotate presentation suggestions and oversized margins encourage integration of the facilitator s personal experiences in presenting and adapting the module ideas for using the readings for bridging cultures are provided a section of overhead transparencies and handout masters is included the module also provides a discussion of the role of culture in education and the constructs of individualism and collectivism an overview of the effects of the bridging cultures project and evaluation results of the author s use of the module in two sections of a preservice teacher education course bridging cultures teacher education module brings the successful processes and practices of the bridging cultures project to a larger audience in college courses and in professional development arenas designed for use in one or two class sessions the module can be incorporated in courses on educational psychology child development counseling psychology and any others that deal with culture in education

seminar paper from the year 2004 in the subject english language and literature studies linguistics grade 1 7 a university of tubingen new philology language english abstract usually when we encounter such a book we try to solve those problems with the help of literary strategies and approaches like literary theory reading about the author and the epoch studying of interpretations of the work deconstructing the text and looking at the effects of the text with regard to us readers besides these literary strategies which lead to an interpretation of the text a linguistic analysis of literary texts helps us either to get a full understanding of the text or to comprehend why we have problems understanding the text however the linguistic analysis of literature is not an interpretation it is more an explanation of how it means and why it means what it does linguistics demonstrates why a text is interpreted in this or that way and makes clearer what the underlying problems

in the interpretation are the main aim of this essay is to show and explain the linguistic strategies and mechanisms that enable us to bridge the cultural differences to demonstrate how cultural knowledge is triggered off and to show how it is possible to learn something about the culture the goal of this essay is to show that readers can understand the text although they have no knowledge of the culture at all in the first part of this work i will settle the question why it is difficult for us to understand the culture behind the text and give a brief account of the problems with which we are confronted in the process of learning about the culture in the book in the second and third passage i will introduce and settle the theoretical basis of linguistic strategies that help us to understand the text and to reconcile the cultural contrasts the following part will show the practical application of the linguistic strategies with examples of achebe s things fall apart

bridging cultures

this book provides readers with a comprehensive guide to other cultures the often unfamiliar ways that people from other cultures think speak and act as such it helps readers identify potential and real conflicts and to take appropriate action so as to build successful relationships the book draws on the authors combined experience from international line management and international projects as well as teaching seminars and coaching clientele from around the globe it offers an essential resource for anyone involved in transnational business and cross border relationships

originally published mahwah n j lawrence erlbaum associates 2001

first published in 2003 routledge is an imprint of taylor francis an informa company

collection of short stories and anecdotes which capture the difficulties encountered by people when integrating with those from different cultural backgrounds the author has lived in the asia pacific region and is a senior lecturer in education at the university of canberra

the chinese characters for danger and opportunity form the word crisis ancient chinese wisdom sees an opportunity in danger while cultural diversity brings challenges to the workplace how do we turn these challenges into opportunities drawing on their extensive experience working with multicultural and multinational organizations lionel laroche and

caroline yang provide an in depth analysis of cross cultural dynamics in the workplace and offer practical suggestions at both the individual and organizational levels the book analyzes cross cultural challenges in six areas the relative importance of technical and soft skills cross cultural communication cross cultural feedback hierarchy individualism and risk tolerance it then provides a solutions framework that encompasses people systems and environment to bridge the issues that arise from cultural differences the analysis and solutions are applied in four business contexts managing a multicultural workforce competing in the global talent market collaborating with joint venture partners and working with offshore resources if you work with colleagues managers employees and customers from diverse cultures if you are with an organization that has a multicultural workforce and or global operations or if your organization collaborates with joint venture partners or offshore resources from different cultures then danger and opportunity bridging cultural diversity for competitive advantage is the book for you
