of course i didn't immediately surrender my feelings of fear resistance and doubt about this very different form of practice however once i tuned in to the techniques of kundalini i found a new way of being the beauty of kundalini is that it takes you beyond the confusion and clutter of daily life to a place where you experience a sense of real freedom and stillness at this point the neutral meditative mind can allow access to inspiration excitement and new possibilities your mind frees itself of the repetitive dialogue of negative voices and confused thoughts the ancient echoes of the past the new raised energetic frequency at which your mind is operating allows you to listen to your mind's authentic voice the voice of your dreams passions and purpose in this neutral space we can accept who we are and embrace all that we are the light and the shadows the good and the bad in us

when the dragons return an esoteric guide for the new age dragons were never just myths or fantasies they are primordial forces vibrational consciousnesses that shape the invisible web of existence and guard secrets long forgotten by humanity present in cultures across all times and places these elemental entities have always been symbols of power balance and transformation but what happened to them why did they withdraw from our plane and more importantly why do we now feel their presence returning this work reveals that dragons never left they simply waited in hidden dimensions they continue to watch over the earth's cycles awaiting the right moment to reconnect with those awakening to their true essence their call resonates in those who seek ancestral wisdom who yearn for a greater purpose and who feel the urgent need to restore harmony between spirit and matter by unveiling the dragons connection with the four elements their energetic manifestations and their impact on the spiritual journey this book offers a path to understand and access their presence the awakening of draconic energy is an invitation to transformation a return to what has always been within us the question is not whether they will return but rather are you ready to hear them
